FLUSH YOUR LAWERS DOWN
THE TOILET. YOU WONT BE NEEDING
THEM ANYMORE...

Dedication

This book is dedicated to **my Father** who seeded my thirst for knowledge, enlightened me to the dubious nature of those who turn their backs on God, showed me how to read between the lines and to look beneath the surface for the real meaning of everything. He challenged me to be part of the solution rather than a gullible consumer under the influence of pagan propaganda.

This book is especially dedicated to our Lord and savior, **Jesus Christ, the King** on Earth, as it is in Heaven, who showed the example of what it means to be truly understanding, forgiving and compassionate.

Finally, this book is dedicated to YOU for seeking the truth and taking action to DEFEND AMERICAN FREEDOM!

DEFEND AMERICAN FREEDOM

The American's Creed

by William Tyler Page

I believe in the United States of America as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed, a democracy in a republic, a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies.

—Written 1917, accepted by the United States House of Representatives on April 3, 1918.

Acknowledgments:

I want to give gratitude for the groundwork and research that has been done by all of the **red-blooded Americans** that have been called every name in the book including but not limited to **Patriots, Constitutionlists, Religious Freemen, Men-on-the-land, American Nationals, Expats** and **Sovereigns**.

Some of the pioneers of the modern common-law renaissance that deserve mention are **George Gordon, Bob Hallstrom, David-Wynn: Miller, Russel-Jay: Gould, Howard Freeman, the Behold group, the Anti-Shyster newspaper, Johnny Liberty, James Wright**, and all of the old schools that came along and taught, like **Barrister's Inn School of Common Law**. These are some of the brave men who have sworn that **this revolution can be won in the courtrooms** without bloodshed, riots or violence. Men that believe that this country has a heart of gold It's our loyal American law mentors that have inspired us to take up the *pen* rather than the sword.

Along with all of the other researchers who contributed to this book, I would also like to recognize **Dr. John Coleman** for doing the research and exposing the secrets of the Tavistock Institute in his books. I highly recommend you look them up and examine their substance.

DEFEND AMERICAN FREEDOM

Forward:

Are you free and if so how do you know you are truly free?

To the majority of readers, freedom defined in references and controlled search engines for the most part is unclear.

We know freedom stories told by Parents, Grandparents and Great Grandparents. Stories of personal sacrifice. They talk about the First World War known also as World War I, The Great War, and “The war to end all wars”. World War II, The Korean Conflict, Vietnam and on it goes horror story and victory to today “The Syrian Conflict”. They speak of sacrifice of this Private or that Major and glorify Generals. Most define freedom simply by their daily routine.

My assumptions of freedom, my God given freedom, was proven dead wrong by the pages of this handbook. The invitation to pen this forward was a chance to confirm my personal journey to become a Sovereign Human Being. Unless you have done the focused procedures in this handbook I can assure you with certainty you not free! What you consider to be freedom is wrought with fraud, deception, illusion and downright evil intent. What you will learn in this handbook will prove so.

The Courtroom Revolution Handbook

The Law is all you need, and not from some appointed figure in the practice of law. What you are about to learn in this handbook will serve you real freedom in the form of proven methodology. The documents, procedures and protection you didn't know existed. It will teach you how to confirm your status, protect yourself as God intended, legally! It will educate and correlate in simple terms the laws in support of the Constitution and Bill of Rights as these documents were originally intended. It will awaken in you an understanding and appreciation for the incomprehensible intellect certain founding fathers had both in their knowledge of the bible and the law. I'm not referring to the scripture here, I'm referring to the foundation of all world law. Not EU Law, not the law of the B A R Associations of the world, certainly not the "British Territorial United States of America... what the heck?" "Yes, that's what I said!"

This comprehensive guide is the map to your real freedom. Providing to all the specific instruments, you must file to be truly free as intended by creation. The proven methods in this handbook are without a doubt are the most comprehensive step by step guide to Real Freedom you will ever have in your hands.

DEFEND AMERICAN FREEDOM

Sure, there are solicitors such as attorneys and fiduciaries out there that try to help with some of the steps here but at what cost? There is nothing like this handbook published into existence anywhere!

There are many books that talk about the points you will learn in this handbook but, none are a foundational step by step guides with documentation for the entire process. Further this handbook comes with unprecedented support you can't find without wasting thousands of dollars in legal fees. Correctly following the simple steps this handbook teaches, will assure success in your journey to true freedom.

Until you begin to fully participate in this handbook by committing to the step by step process you will not be legally free. Free to be governed by you and you alone. You will have a basic command of the law that would shock any legal advisor.

In closing this forward, I have to clarify something. The notion that to believe in God and in Christ is somehow wacky, is born from the decades of propaganda campaign do abolish Christian beliefs. It stems from unprecedented deception in the law that has stolen wealth, intimidated estates, and instilled fear for decades. Evil committed on killing Christian beliefs in any form.

The Courtroom Revolution Handbook

As you move forward in learning the simple processes here it will become most evident that the evil is alive and well in this world and it has a legal chain around our God given freedom. With this handbook we now have simple tools to break that chain correctly, legally, and safely and expel the fear.

May you find the love within the pages of this handbook as I did, pass it on, and when you do there will be an explosion of true freedom around the world!

DEFEND AMERICAN FREEDOM

Preface:

What happened to Lady Liberty and how do we defend her honor?

“True peace will not break out globally unless the next generation of children are made aware of the false dogma ranging from geopolitics to the New Age movement, which deliberately has been promulgated by *Illuminati social engineers* and media personnel.” - Brian Desborough

If you are like most innocent bystanders, you have been plugged into "the system", mesmerized by the media and pacifying yourself with games, entertainment, and cheap plastic junk from China.

It's a disastrous media mind-fuck of biblical proportions so believe me, you are not alone.

While you were being stressed out and stuffed with a lifetimes worth of coping mechanisms, the madmen at "the top" have been eating out the integrity of our once great nation. They have degraded the perspectives of the American People to such a degree that most people believe that the system is the problem. **It's not the system that's the problem.** The American system is the only system in the world that enables an individual to not only rise to affluence from poverty but gives

The Courtroom Revolution Handbook

him or her a **means to protect** their liberty, their families, and what they've earned through the courts and legislation. That's impossible in a communist country.

In a communist country they exploit you for everything you've got and just kill you and your family if you step out of line.

Listen, all media exists to propagate ideas in the minds of the audience and the commercial (mainstream) media exists to control and manipulate the behavior of the masses at large. In order to manipulate a nation's population, the propagandists, in disguise as experts, create staged disasters and dis-information about them so the population will never have a clear picture of what's happening right under their noses. For example using **Directed Energy Weapons** to vaporize whole communities on premium real estate in Northern California and calling them "**Forest Fires**" so they just come in and "**Install**" new neighborhoods. When the social engineers with a mastery of psychological warfare are employed by the richest families in the world to manipulate the behaviour of the entire population by controlling what comes to them on their devices, you have a recipe for global catastrophe because they can get the mob to react in a very predictable way, such as protesting, rioting and tearing down monuments or even becoming paranoid and introverted.

By reading this book, you will realize that you were programmed to be a slave (consumer) under

DEFEND AMERICAN FREEDOM

a globally gridlocked mind control system from the day you were born; a global social engineering experiment that spans centuries.

Also, by reading this book, you begin the process of repairing and protecting your exploited life from the parasites and predators that rely on your conditioned behavior patterns to survive.

But, in order to “defend” yourself or a “lady” against an “enemy”, you need to know as much about that “enemy” as possible, even if they are very secretive about their existence, motives, and intentions.

So what the heck happened to “Lady Liberty” anyhow?

Well, down the rabbit hole we go...

It is a little known fact that for thousands of years secret societies and occult groups - guardians of ancient esoteric wisdom - have exercised a strong and often crucial influence on the destiny of nations. As Freemasons, Knights Templar, and Rosicrucians they affected the course of the French and American revolutions as well as the overthrow of the medieval order. The Nazis, of course, but also the British security forces, the founding fathers of America, and [the Vatican](#) have all had a part - *for good or ill* - in the occult conspiracy.

The Courtroom Revolution Handbook

Remember that story about Vlad, the impaler... y'know, the vampire, count Dracula, that was injected into your mind when you were still a child in a theta-brainwave state?

Give yourself some seniority if this rings a bell...

Ernie: "Thanks for hiring me to answer your phone, Count."

the Count: "It's not as easy as you think. Now, I must find something to count..." (Phone rings.) "One! One ring."

Ernie: "That's the telephone. I'll answer it."

The Count: "No!" I must count them. Two! Two rings. Ha! Ha! Ha! Ha!"

One! One innocent child. Ha! Ha! Ha! Ha!
Two! Two Innocent children. Ha! Ha! Ha! Ha!

How about that brown monster cereal... what was it? You remember... Boo Berry? no. Franken Berry? no.

It's a western archetypal *myth* right?
"Little Timmy looks so cute with the cape and the fake blood dripping from the corner of his mouth! Let's take a photo and put it in our family album so it will haunt him forever."

It's called "normalization" and it's how they get the population to accept a once shocking concept as normal and perfectly acceptable.

DEFEND AMERICAN FREEDOM

But, don't all “myths” have some foundation in truth?

Well, there's this thing about energy...

Those that deny the reality of God, actually cut themselves off from the eternal fountain of life force energy. It's a sad truth that atheists, pagans and devil worshipers feed on the energy of other people: psychic vampires that prey on each other's electromagnetic energy and when that's not enough, they justify taking life to sustain life and when that's not enough, they prey upon the lives of the masses by indoctrinating their children into the occult and letting them fall into the clutches of Satan's Claws with cute cartoons, the Easter Bunny and all the evil, fabricated holidays.

Oh, no! Now you're getting' yer feelings all hurt and you haven't even begun chapter one. Well, if you can't handle the hard, cold truth of reality, then there's no hope for you and you should probably just give up on living a life that has any semblance of freedom in It, because I'm not here to stroke your ego. I'm writing this book because it's my duty to burst your bubble and give you the know-how to **protect yourself**, your **family** and **your estate** from **vampires** that are hiding inside the media, schools and government jobs.

This preface will connect the dots on how an **international Luciferian vampire cult** has successfully managed the infiltration of every major institution in the world through a intricate network of interconnected cells. By reading this you will clearly see how they have engineered the

The Courtroom Revolution Handbook

behavior of the entire global population by satandardizing all the media, religions, policies, textbooks and history books over several generations to brainwash the populations to accept **Lucifer's "communist" agenda** as popular opinion and politically correct.

It will become clear how they have disguised themselves as the leaders of every order and by doing so have enforced loyalty to their unwitting agents who serve an agenda to create slave populations addicted to oil, coffee, sugar, pharmaceutical and illegal drugs. The culmination of which shows up in the dark underbelly of Hollywood and government agencies as an international human/child trafficking ring called "**pizzagate**".

I know it sounds like something out of a sci-fi horror film but since they are completely in control of Hollywood, maybe they've just been telling you exactly what's going on all along, and calling it "fiction". Regardless of what you already know, this preface should tie it all together and help you make better sense of everything...

So, where did this secret cult come from?

It's ancient. I'm not going to regurgitate *all* the historic people, places, dates, agendas and events for you because you can independently research anything I'm spelling out here. Rather, I'm going to show you the bread crumbs and how they tie together, leading up the the confusion within your very own mind and the limits on your lifestyle. I'm

DEFEND AMERICAN FREEDOM

also going to give you a ball of string so you can find your way out of the labyrinth of propaganda, the web of lies that you've wrapped around your head to appease your oppressors and compromise your life, for their convenience.

It all starts in “**Cabala**” an ancient pagan system for manipulating subtle energies, otherwise known as magick. Cabala pre-dates the Torah. For millenia the Cabala has been a resource for sorcery and practitioners of black magic. It's actually quite popular these days and is endorsed by most Magickal systems and sell-out vampires like Madonna.

The Western dichotomy emerges out of descendants of Noah: Nimrod who founded Babylon and later Abraham from whom came Judaism with the Pharisees performing the occult practices of the Cabala.

In due course, fulfilling prophecy, **Yeshua, the Christ** showed up, preaching peace and forgiveness. Yet, while the pharisees were allowing their people to turn the temple into a unregulated bazaar on the Sabbath, he interfered with their hustling by overturning their tables and chastising them. Pilate said Yeshua had not committed a crime that was punishable by death, but his own people insisted that he be executed. This fulfilled the prophesies of the Old Testament and established **Yeshua** as the **Christ-Messiah**.

What this means in the big picture is that up until then, every religion and government had an eye-

The Courtroom Revolution Handbook

for-an-eye, tooth-for-tooth policy for anyone who did not perfectly adhere to the letter of the law. You've heard the old adage, "**Ignorance of the Law is no excuse**".

Yeshua was teaching that mankind is inherently flawed and is naturally prone to learning by making mistakes, therefore, **humans cannot be held to impossible standards** and they need the **mercy of forgiveness** to recognize their imperfect nature.

The truth is, **only God is perfect**. Christ understood this and because of his authority as the Messiah, abolished the old law (Judaism). Through his peaceful acquiescence to his crucifixion, this humble carpenter took up the burden of the sins of mankind, thus giving an opportunity for salvation and **securing the faithful a wonderful life and a seat at God's feet**.

2,000 years later the world has an emerging peaceful civilization, the internet, free public schools, and **overnight delivery anywhere in the world**.

Because it's entirely pertinent, let's not fail to mention that after Yeshua "came back from the dead" and ascended, John the prophet was arrested and put into prison on the isle of Patmos. It was there that he had a vision that Angels showed up, tore the roof off the jail and took him up to Heaven where he saw 2,000 years into the future and wrote it all down. That's where we are right now: 2000 years in the future. You can read

DEFEND AMERICAN FREEDOM

what he saw in the last book of the Holy Bible, otherwise known as the **Book of Revelation** or the **Book of the Apocalypse**.

The pagan Roman empire was a hedonistic, Republic-style system that had extended its reach all the way to the Druids of the British Isles before it collapsed. This is where the phrase **“All roads lead to Rome”** came from. We should also consider the meaning of the phrase said by the Roman poet Juvenal, **“Give them bread and circuses and they will never revolt.”**

Now, the Roman Empire was divided into two classes and slaves. The administrative class were the **“Patricians”** and the working class were the **“Plebeians”**. Rumor has it that only the patricians could afford the fancy lead-glazed goblets for their wine and that the Roman Empire fell because the upper class all went insane from lead poisoning. Regardless of how it happened, the Roman Empire disintegrated and the apostles of Christ going out two-by-two, got the good word out.

By 300 AD the apostles had grown a movement that was transforming the world, so the Roman Emperor Constantine called a meeting of world leaders to convene and consolidate **“Christianity”** with the most popular pagan practices of every society. Thus began the official state religion, the Roman Catholic Church.

Christianity was now official and had the backing of the government so the church created a sovereign headquarters called **“The Vatican”** and

The Courtroom Revolution Handbook

traveled the Roman roads to put up satellites along the way.

During the **“Dark Ages”**, the surviving 13 clans of the upper class built walls around their stuff to protect it from the desperate, starving, breeding barbarians that were now without “leadership”. They called these walls **“Castles”** and the only people they let in besides their families and their security guards were the Christian Monks that knew how to read. They let the monks in to educate their kids and they subsequently got infused with the teachings of the Prince of Peace. They were basically shown how, by honoring the word of God and living by **“Noble”** conduct, they could establish a new civilization. That’s where the word **“Nobility”** comes from.

It was a symbiotic relationship because the monks were peaceful and needed the protection of the security guards and the kids needed education. Often times, there were churches built near the castles and although the local barbarians were not family, they were also given some charity, education, opportunities, and protection from invasion. These are the origins of the **“Monarchies”** or the original Christian family-nations.

Around 300 AD Roman Emperor Constantine also established Istanbul as the seat of the Eastern Roman Empire. In 538 AD the Vatican was established as the Center of the Western Roman Empire.

DEFEND AMERICAN FREEDOM

The Holy Land was conquered by the Muslim warlord, Caliph Omar in 638 AD.

By 740 AD the Pope was in control of the Roman Catholic Church and In 1096 the “**Crusades**” to reclaim Jerusalem began. In 1119 AD the “**Templars**” first appeared on the scene of history, otherwise known as “**The Knights Templar**”. The order's full and proper name was “*Pauperes commilitones Christi Templique Salomonis*”, or “**Poor Fellow-Soldiers of Christ and the Temple of Solomon**”. Don't let the name deceive you. They were into occult practices from the start. It turns out the name was just a front so they would not be executed by the church and the monarchs for their ulterior motives.

In truth, the Templars are actually an **idol-worshiping death cult that serves Lucifer** and their entire goal is to **eradicate monothiesm** and eventually bring the whole world under the rule of a **single totalitarian world regime**.

According to the modern Templar historians, Tim Wallace-Murphy and Christopher Knight, the knights who banded together as the Knights Templar were part of a wave of European royalty descended from Jewish Elders that had fled the Holy Land around 70 AD, when it was invaded by the Romans.

Before leaving their homeland, these Elders had hidden their temple treasures and priceless **Essene** and **Kabbalistic scrolls** in strategic regions

The Courtroom Revolution Handbook

of the Holy Land so that the Roman invader **Titus** could not plunder them as the spoils of war. The Jewish Elders then immigrated to Europe. There,

many of them married into the continent's noble families. Of these Elders, twenty-four would become the patriarchs of a group of European families known by the sobriquet of the “**Rex Deus**” or “**Star**” families.

In *Morals And Dogma*, one of Freemasonry's most popular books, Grand Master Albert Pike (1809-1891) reveals the Templars' true purpose:

In 1118, nine Knights Crusaders in the East, among whom were Geoffroi de Saint-Omer and Hughes de Payens, consecrated themselves to religion, and took an oath between the hands of the Patriarch of Constantinople, a See always secretly or openly hostile to that of Rome from the time of Photius. The avowed object of the Templars was to protect the Christians who came to visit the Holy Places: their secret object was the rebuilding of the Temple of Solomon on the model prophesied by Ezekiel...

The **Knights Templar**, he continued, were from the very beginning...

"devoted to . . . opposition to the tiara of Rome and the crown of its Chiefs. . ." The object of the Templars, he said, was to acquire influence and wealth, then to "intrigue and at need fight to establish the Johannite or Gnostic and Kabbalistic dogma. . ."

According to them, the Templars discovered "a secret" in the ruins of the temple. This changed

DEFEND AMERICAN FREEDOM

their worldview and from then on, they adopted un-Christian teachings.

Despite being born and raised in a Christian society, they adopted wholly un-Christian practices. Black magic rituals and rites and sermons of perverse content were common practice. There is a general consensus among historians that these practices were derived from the Cabala.

The enigma surrounding the order and its mystic teachings drew the attention of many European aristocrats so the Templars had to obtain the Papacy's approval, so Grand Master **Hugues de Payens**, accompanied by five knights submitted two letters, one from the patriarch of Jerusalem, the other from King Baudoin II, announcing the order's honorable mission, it's services to Christianity, and many other good deeds.

At the *Council of Troyes*, On the 13th of January, 1188, the Roman Catholic Church would officially recognize the order under the name of Poor Fellow-Soldiers of Christ.

They infiltrated the church and were able to influence the pope and the monarchs with an appraisal of the order, written by **St. Bernard** while the Templars secretly continued in their un-Christian practices that the Church had strictly forbidden.

The Courtroom Revolution Handbook

With this document, the Templars obtained unprecedented privileges not granted to other orders and—according to **Alan Butler** and **Stephen Dafoe**, known for their research in this field—became the most successful military, commercial and financial organization in Medieval Europe. As their legend and renown spread from mouth to mouth, they became a multinational company with seemingly unlimited capital and financial resources and tens of thousands of trained employees. Recruits and offers of money and land came flowing in from far and wide. Soon, numerous presbyteries, castles, farms, and churches were built and occupied by the Templar Knights and their servants. The Templars fitted out ships, creating both a merchant and fighting navy. In time, **they became the most famous warriors, travelers, bankers, and financiers of their day.**

In short, the **Templars were an autonomous entity** answerable only to the Pope, with **no obligation to pay dues to any king, ruler or diocese.** Their wealth increased day by day. In the Holy Lands, the order's power was legendary and continued until the fall of Acre (1291). **They controlled the shipping routes from Europe to Palestine** used by pilgrims, but all these constituted just a fraction of the Templars' overall activities.

They had entered the scene as "Poor Fellow-Soldiers of Christ," but no description could have

DEFEND AMERICAN FREEDOM

been less accurate. Amongst their ranks were to be found the wealthiest people of Europe: **leading bankers from London and Paris**, among whose customers were Blanche of Castile, Alphonso de Poitiers, and Robert of Artois. The finance ministers of James I of Aragon, and Charles I of Naples and the chief advisor of Louis VII of France **were all Templars**.

By the year 1147, 700 knights and 2,400 servants of the order were stationed in Jerusalem. Across the known world, **3,468 castles had become the Templars' property**. They had established trading posts and routes on both land and sea, had won war booty and spoils from the wars they participated in. Among Europe's states, they were a political power to be reckoned with, often called in to arbitrate between rulers during times of conflict. It is estimated that in the 13th century, the Templars numbered 160,000, of whom 20,000 were knights, in those times, constituting an undoubted superpower.

In *The Temple and the Lodge*, authors **Michael Baigent** and **Richard Leigh** document the Templars' incredibly widespread influence throughout Christian Europe. They were simply everywhere, even playing a role in the signing of England's *Magna Carta*. Having amassed huge wealth, they were the most powerful bankers of their time and also the largest fighting force in the West. The **Templars commissioned and financed cathedrals**, mediated in international

The Courtroom Revolution Handbook

transactions, and even supplied court chamberlains to the ruling houses of Europe.

The beginnings of modern banking can be traced back to the Templars and they made a fortune by means of a fairly simple system of banking. For example, if a tradesman wanted to go from London to Paris, first he would go to the Templars' office in London and hand over his money. In return, he was given a paper with an encoded message written on it. On his arrival in Paris, he could hand in this note in exchange for the money he'd paid in London, minus a fee and interest. Thus the transaction was completed. - excerpted from the **Dark History of the Templars.**

There was a tremendous amount of progress made throughout medieval Europe including the elaborate and spacious **Gothic cathedrals**. This progress did not come without the price of countless **bloodbaths**. On the **4th of July, 1187** the Templars were defeated by a Moslem army. Upon capture, 1,000's of Templars were executed; the penalty for 100 years of merciless cruelty towards the Palestinians.

During this phase they became acquainted with the Cabala and learned the mysterious teachings of various other Jewish sects. The Assassins' mysticism and perverse practices were also incorporated into their system; and the emerging picture reveals that their Christian faith had given way to ***secret occultist rituals and black***

DEFEND AMERICAN FREEDOM

magick rites. Needless to say, their ideals and mission changed accordingly.

When the Crusaders lost their last stronghold in Palestine, they turned to concentrate their efforts into Europe so **they bought the Island of Cyprus** from **Richard the Lion-Hearted**, who had just slaughtered 3,000 innocent Muslim civilians because he didn't want to wait for payments from the Muslim leadership.

As they expanded throughout Europe, **every royal house became indebted to "the order"** and were living in fear of their futures. In Paris, they established their own treasury and **managed the King's treasury** as well.

The reality of things was that the Templars were so well networked that they had **ties with every pagan cult** including Luciferians and were practicing every kind of Magick that would serve and further their mission.

Many were convinced that in order to gain wealth or power, one needed the help of dark powers, which could be compelled through Black Magick. Using what they considered "**scientific**" methods, the Templars were investigating ways of contacting and controlling invisible powers by means of secret codes, magic formulas, and incantations. Poisons were prepared, the elixir of life was sought in experiments, and "**Alchemists**" tried to create gold out of lesser metals.

The Courtroom Revolution Handbook

The Templars, seeking to rule this world with the help of the invisible one, came to **worship Satan** and called on him to dominate the powers of darkness.

The order had become so widely known as hypocrites and heathens due to all their debauchery and occult practices. It was obvious to the Christian world that the creed of the order had been a total front and by 1307, the Monarchs and the Churches decided to hunt the cruel bastards down.

On October 13, 1309, the King of France issued an order for their arrest and they were charged with blasphemy, idol worship, heresy, perversion, witchcraft, racketeering, and treason.

During their trial, almost all Templars mentioned having worshiped **“Baphomet”**, a demon with the head of a goat, which in Black Magick, is the source and creator of evil. They also mentioned human skulls and idols of cats. The consensus among historians is that all these figures are objects of **“Satanic ritual worship”**. It had become obvious that they were actually **servicing Lucifer**, the **“Fallen Angel”**.

In 1314, **Grand Master Jacques de Molay** was burned at the stake and at the **Council of Vienne** in France in 1312, the Order of the Knights Templar was **officially declared illegal in all of Europe**.

The Templars Go Underground

Liquidating the order of the Templars proved harder than anticipated. Even though Grand Master de Molay and many of his brothers had been eliminated, **the order survived**, albeit by going underground. In France alone, there were more than 9,000 representatives to be found and across the countries of Europe, thousands of castles and other strongholds were still in their possession.

According to historical sources of the time, the Inquisition had captured and punished only 620 out of a total of 2,000 knights. It has since been estimated that the knights' actual grand total was in the vicinity of 20,000, each of whom had a team of seven or eight Templars of other professions at his service. **A simple calculation based on eight Templars per knight gives us a total number of 160,000** organizing and carrying out the order's activities, including shipping and commerce. The Pope and the French King couldn't possibly locate and confiscate all of their property.

This network of active members across Europe and along the Mediterranean coast, 160,000 strong, was the **largest logistical force of their time**. In terms of property, they could measure up to any king and this wealth assured their protection and safety.

Despite the Papacy's claim that the Templars had been annihilated, not only did they survive the

The Courtroom Revolution Handbook

Inquisition by going underground, but **they kept on being active**, especially in England and in Northern Europe.

In order to carry on their activities in safety, Templars, escaping persecution and arrest in France and some other countries of Europe, needed to regroup somewhere. They chose the confederation of cantons now known as **Switzerland**.

Some Templars escaped to Spain and entered orders like the **“Caltrava”**, **“Alcantra”**, and **“Santiago de la Espada”**, while others moved on to Portugal and they renamed themselves the **“Order of Christ”**. Still others fled to the Holy Roman Empire of the German nation and joined the **“Teuton Knights”**, while another large group of Templars is known to have joined the **“Hospitalers”**. In England, the Templars were arrested and interrogated, but quickly released again. In still other countries, the Templars remained unmolested.

The Illuminati has been rumored to have originated in Spain in the 1500's and was officially known in Spain as **“The Alumbrados”** (Spanish pronunciation: [alum'braðos], Illuminated). When one does the research, its clear the Illuminati has been led since the 1500's by **Jesuit Priests** and **Satanists** operating in **high level Vatican offices**.

A well known member of the **“Alumbrados”** in the 1500's was **Ignatius Loyola**, who was the founder and first General of the **“Jesuit Order”**. We clearly observe that **“The Illuminati”** when documented

DEFEND AMERICAN FREEDOM

at its earliest forms, is linked to the leader of the **Jesuit Order** (Ignatius Loyola).

According to Wikipedia, in 1527 **Ignatius Loyola** who was a member of the “**Alumbrados**”, was questioned about his involvement with this group by the Vatican. Ignatius also spoke directly to the Pope about his involvement with the Alumbrados, and how he wanted to start up the “**Jesuit Order**” to further the goals of the **Roman Catholic Church**. The Pope gave Ignatius his stamp of approval, and allowed Ignatius Loyola to start up the “**Jesuit Order**” which would serve and eventually *take over* the Vatican. The “**Jesuit Order**” now *completely* controls the Vatican both in the shadows and outwardly, as the Jesuits now have one of their own as the **White Pope**.

After going underground to escape the Inquisition, the Templars infiltrated various other sects and organizations. For their purposes, the “**Masons’ Lodges**” were an ideal choice. Very quickly, they infiltrated them, brought them under their own control, adapted and altered them to accommodate the Templars’ own philosophy, beliefs, and rituals. Since they had long been trained in the arts of architecture and masonry and had gained expertise in building castles and Gothic cathedrals, **it was easy enough for the Templars to infiltrate and control the professional guilds of masons**. Published reference works by Masons refer more often to the symbolic features of their merger with the Templars, than to the darker aspects the “**Masons**” inherited from them.

The Courtroom Revolution Handbook

A significant number of Templars found refuge in **Scotland**, the only monarchy in 14th century Europe that didn't recognize the authority of the Catholic Church. Reorganizing under the protection of **King Robert the Bruce**, they soon found the perfect camouflage to hide their existence in the British Isles. Outside of the state and local governments, the Masons' Lodges were the most powerful organizations of the time, and the Templars first infiltrated them, then brought them under control. Lodges that had been professional bodies were turned into ideological and political organizations, which are now the *Freemason Lodges of today* (This is what Masons call "progress from operational to *speculative Masonry*").

Another Masonic source estimates that between **30,000 and 40,000 Templars escaped the Inquisition** by wearing Masons' cloth and mingling with them. So as to flee abroad, others obtained and used the "**Laissez Passer**" (free passage) given to Masons.

The Templars seemed to have disappeared from the history until 1804; when **Bernard-Raymond Fabré Palaprat** became Grand Master. Truly interesting is an accidental discovery he made in 1814. In one of the bookstalls along the river Seine in Paris, he came upon a handwritten Bible of the Yuhanna translation in the Greek language. The Bible's last two chapters were missing; and in their place were notes divided by - and containing - numerous triangles.

DEFEND AMERICAN FREEDOM

Examining these notes a bit closer, he realized that this was a document listing the Grand Masters of the Templars, beginning with the fifth Grand Master, **Bertrand de Blanchefort** (1154),

through the 22nd, **Jacques de Molay**, the 23rd Larmenius of Jerusalem (1314) and then on to Grand Master **Claudio Mateo Radix de Chevillon** (1792). This document suggested that Jacques de Molay passed the title of Grand Master on to **Larmenius of Jerusalem**. It could be concluded that the Templars never ceased to exist. They live on today in the lodges of **“Freemasonry”**.

Masons and Templars shared quarters for two hundred years and they must have influenced each other to some extent. Masonic rituals are **so similar** that they **must have been copied** from the Templars.

Many sources suggest that after the death of Jacques de Molay, survivors of the order planned a conspiracy. Supposedly, **the Templars sought to bring down not only the Papacy, but the kingdoms that had declared them illegal** and executed their Grand Master. This secret mission was handed down through generations of members, preserved and maintained by later organizations like the **“Illuminati”** and **“Freemasons”**.

The **“Scottish Rite”** of Freemasonry, oldest of the Masonic lodges employed to provide shelter for the Templars, was established in the 14th century by Templars seeking refuge in Scotland. It became an example for the rest to follow. The titles of the Scottish lodges' highest ranks continue to be

The Courtroom Revolution Handbook

identical to those given to the Knights Templar centuries before. **Baron Karl von Hund**, one of the most famous Masons of the 18th century who compiled research on the Templars, called the Scottish lodges a "restoration" of the Templars.

To sum it up, **the Templars never ceased to exist**. Instead, they infiltrated the lodges of the weak and passive Masons, founded the "**Rosicrucians**", organized and strengthened the order, and turned it into an effective tool. The Templars are not a branch or aspect of Masonry. Nor, as the Masons claim, are they "a little influenced by them." Masonry, along with its symbols, history, and ideals has become a den for the Templars, albeit under a different name.

According to the generally accepted view, the order went underground, developing a deep animosity for monotheistic religions and the Church in particular and, in the long-term, transmuted into the organization known today as "**Freemasonry**". The Masons' anti-religious philosophy and involvement in revolutions and political movements is a consequence of their Templar ancestry.

In other words, the Knights Templars still survive in the present, under the name of "**Freemasonry**". Those who reach the highest degrees of Masonry are granted Templar-inspired titles such as "**Guardian of the Temple**". In the United States, some lodges that convene under the name of the Knights Templar are affiliated with Masonry.

The Order of the Rosy Cross

Founded by a German knight going by the name of **Christian Rosencreutz**, the “**Rosicrucians**”, a *sister organization to Freemasonry*, are an esoteric-secretive sect combining **Egyptian Hermeticism, Gnosticism** and **Cabalistic lore**.

The traditional origins of the Rosicrucians go back to the mystery schools of **ancient Egypt**. In these schools, enlightened mystics gathered together to study the mysteries of the universe, nature, and humanity. This was the reason they were later called “**mystery schools**”.

“About 1500 B.C., **Pharaoh Thutmose III** combined these schools into a single order bound by a single set of rules. About a century later, **Amenhotep IV**, known more commonly as **Akhenaton**, created a unique body of teaching for all members of this order. During his reign, he also founded the first monotheistic religion in the historical record.

From Egypt, the Order spread to Greece, an event in which **Pythagoras** played a singular role, and it then spread to medieval Europe, with the alchemists and Templars being agents of this Tradition. In the following centuries, the **philosophers of the Renaissance** and spiritually-minded students of the modern period contributed to its expansion, both in the East and West. Since

The Courtroom Revolution Handbook

freedom of conscience was often lacking in past societies, the **Order concealed its identity under various names** during it's history." ([Rosicrucian Order, H. Spencer Lewis](#))

Rosicrucian centers were an obvious place for the Templars to obtain the magical powers required to control the material world. Therefore, these places became the research centers for the Templars. Interestingly, both the Freemasons and the Rosicrucians **are of Templar descent** and closely linked. In the Scottish rite, the title of the 18th degree is "**Rosicrucian Knight**".

Some famous Rosicrucian/masons are listed below:

- **George Washington**
- Abraham Lincoln
- Benjamin Franklin
- Walt Disney
- Isaac Newton
- Leonardo da Vinci
- Dante Alighieri

Of all the Rosicrucian practitioners, one of the most famous and fervent was a man who's often been surmised to be the true author of Shakespeare's plays - **Sir Francis Bacon**, born in England in 1561. He was the **Grand Master of the English Templars** and in this capacity, the most senior Rosicrucian. He was an **undisputed expert in the secret sciences**, especially the Cabala,

DEFEND AMERICAN FREEDOM

alchemy, and sorcery. The so-called scientific research he undertook had little to do with real science, but much with engaging mystic and supernatural forces to win power over nature.

Bacon's *New Atlantis*; his 1626 utopia of a heaven on earth, is an adaptation of the Templars' ideal state. **Bacon** recounts the story of an imaginary people on an imaginary island called *Bensalem* (which means "New Jerusalem") - an entirely scientific society, full of inventions, **where the residents control even the winds**. There's also the science house he calls Solomon's house, which is the Templars' starting point as well as their destination. Technically, this would be classified as **one of the earliest works of the "science fiction" type of propaganda**.

In short, we have three sister organizations, operating under different names - Templars, Masons and Rosicrucians - but with one single common aim, to **replace monotheistic religions** like *Christianity* and *Islam* with pagan belief systems and a materialistic worldview, **aggressively** targeting all religious organizations.

In *The Occult Conspiracy*, English historian, **Michael Howard**, explains the cooperation of occultist secret societies like the Templars, Masons, Rosicrucians, and Illuminati, whose long, ongoing struggle is to return the West to a pre-Christian paganism.

The Courtroom Revolution Handbook

In 1773, there was a revival and restructure of the Illuminati in Bavaria Germany through **Adam Weishaupt**. Most Illuminati researchers believe that Adam Weishaupt was the founder of the Illuminati, however if one looks at the facts objectively, Adam Weishaupt was simply **an agent for the Jesuits** to *revive* the Illuminati and recruit more members.

Weishaupt began his formal education at age seven at a Jesuit school. Weishaupt was a Jesuit agent who controlled the Freemasons on behalf of the Jesuits. He later enrolled at the **University of Ingolstadt** (Jesuit University named after the founder of the Jesuits) and graduated in 1768.” (Wikipedia)

If one analyzes these facts with an objective mind, you can come to no other conclusion, except that the Jesuits have been ruling and leading the Illuminati since day one. The **Jesuits are the secret puppet masters** of the Illuminati, who hide in the shadows and under the protection of Roman Catholic religious costumes. The Jesuits act righteous and above board during the day in the public limelight, however at night, **they turn their crosses upside down**, and their religious costumes inside out and worship their true lord who is **Satan**.

According to former Jesuit Priest **Alberto Rivera**, the Jesuits regularly hold “**Black Masses**” where

DEFEND AMERICAN FREEDOM

the devil is worshiped. At the black mass, Alberto Rivera also witnessed high level Jesuits wearing **Masonic rings** and **Masonic jewelry**. Alberto Rivera also explained that the Jesuits involved in the Black Masses have links to the **Illuminati** in England. **Alberto Rivera** has the background and credentials as a **former Jesuit Priest**, so that should give him some credibility, however if you study historical facts, history certainly supports and gives credibility to Alberto Rivera's testimony.

The American Revolution

Des Griffin in his book *Fourth Reich of the Rich*, p. 57 explains how the "**Illuminati Conspiracy**" crept into America even when the 13 original Colonies were united:

"However, before the Colonies were united, the Constitution adopted, and our Republic established, fifteen Lodges of the Order of the Illuminati were formed in the thirteen Colonies. The **Columbia Lodge** of the Order of the Illuminati was established in New York City in 1785: members included **Governor DeWitt Clinton**, and later **CLINTON ROOSEVELT** (a direct ancestor of FDR), **Charles Dana** and **Horace Greeley**. The following year a Lodge was established in Virginia with which was identified **THOMAS JEFFERSON**.

The Courtroom Revolution Handbook

When Weishaupt's diabolical plans were exposed by the Bavarian government, **JEFFERSON STRONGLY DEFENDED HIM AS AN 'ENTHUSIASTIC PHILANTHROPIST.'**

The oldest regularly established Masonic lodges in the American colonies of which there is a record are:

- St. John's of Boston (constituted in 1733)
- Solomon's in Savannah, GA., *and*
- Solomon's in Charleston, S.C. (both constituted in 1735).

There is no reason to believe there were earlier lodges but the record is not altogether clear.

It is certain, lodges were operating in Philadelphia as early as 1730, and there is a tradition that a lodge was working in Boston, authorized by the English Grand Lodge in 1720.

Benjamin Franklin in his newspaper, "**The Gazette**," for December 8, 1730, observed that there were several lodges of Freemasons "erected in this Province."

In April of 1733, the Grand Master of England gave a deputation to **Henry Price** of Boston, appointing him Grand Master of New England and "the domination and territories there unto being."

DEFEND AMERICAN FREEDOM

The **Grand Lodge of Pennsylvania** came into existence and its real history begins when **Benjamin Franklin** was raised a “**Master Mason**” about 1730 or 1731.

In 1734, he brought out an edition of “**The Constitutions**”, the first Masonic book to be published on the American continent. Copies of this book are still in existence and may be seen in the Library of the House of the Temple, in Washington, D.C., in the library in Philadelphia, PA., and in the library at Cedar Rapids, MI.

Masonic lodges were established in Massachusetts in 1733, in Pennsylvania about 1730, in Georgia in 1734, in South Carolina in 1735, in New Hampshire in 1736 and in New York in 1737.

Another decade saw the spread of Freemasonry to Virginia in 1743 and Rhode Island in 1749 followed in the succeeding years by Maryland and Connecticut in 1750, North Carolina in 1753, New Jersey in 1761 and Delaware in 1765, thus completing the roster of the Colonies long before the outbreak of the Revolution.

When the war was declared, and every citizen had to take his stand, either for or against independence, it was found that **every Masonic leader was among the patriots.**

As an illustration of the influence Masonry exerted at that time, was of the appointment of

The Courtroom Revolution Handbook

George Washington as Commander-in-Chief of the Revolutionary forces.

George Washington, even though he was a **deceived Freemason**, was nevertheless a **loyal American**, and was very aware of this International Revolutionary force to destroy all governments and religions in his own time.

Washington, according to Lafayette, never willingly gave the independent command to officers who were not Freemasons. Nearly all the officers of his official family, as well as most other officers who shared his utmost confidence, were his brethren of the **“Mystic Tie”**.

Of the men who signed the Declaration of Independence, the following are known to have been members of the Masonic Fraternity:

William Hooper
Benjamin Franklin
Matthew Thornton
William Whipple
John Hancock
Philip Livingston
Thomas Nelson

and it has been said that, with four men out of the room, the assembly could have been opened in form as a **Masonic Lodge on the Third Degree**.

DEFEND AMERICAN FREEDOM

"Many strong warnings were issued about the activities of the Illuminati in America. On July 19th, 1798, **David Pappen**, President of Harvard University, issued a strong warning to the graduating class and lectured them to the influence Illuminism was having on the American scene. **President Timothy Dwight of Yale University** issued a similar warning. Apparently his warning was not heeded because the "**Skull and Bones Society**" secret order, of which **George Bush Sr.** was a member, is exclusively for students of **Yale**.

Meanwhile in Bavaria, southern Germany, **Adam Weishaupt**, a professor of law, founded the "**Bavaria Illuminati**", with it's mission to bring about a secular Masonic world order by revolutionary means Weishaupt was fiercely opposed to monarchies as well as to the Church.

He listed the society's goals as:

1. Abolition of monarchies and all ordered governments.
2. Abolition of private property and inheritances.
3. Abolition of patriotism and nationalism.
4. Abolition of family life and the institution of marriage and the establishment of communal education of children.
5. Abolition of all religion.

The Courtroom Revolution Handbook

The *Encyclopedia of the Occult* reveals that the Illuminati society, increasingly powerful in Germany, was practicing all Masonic rituals while preserving its own distinct identity.

Weishaupt, the "Grand Master," stamped his authority on the hundreds of intellectuals who had joined the society, even though only a very few had access to Weishaupt himself. In 1780, the German **Baron von Knigge**, a Grand Master Mason, joined the society and increased the society's influence even further. Weishaupt and Knigge began preparations for a revolution aimed at bringing down both Church and Hapsburgs. In 1784, when the Bavarian government received intelligence about the planned revolution, the two Grand Masters quickly dissolved the Illuminati and joined ordinary Masonic lodges.

In 1785, the Bavarian Government exposed Adam Weishaupt's plan to destroy Christianity and control governments. However, this was not the end of the Illuminati, as most historians have written. Weishaupt's plans were only interrupted and dealt with as a dangerous revolutionary force in Germany.

The other nations that the Illuminati were operating in did not heed the warning from the Bavarian Government. Just a couple of years later, the plan to destroy Christianity and World Governments was first seen in the French

DEFEND AMERICAN FREEDOM

Revolution. This same revolutionary force reappeared again in Germany, called "**The League of the Just**", with branches in London, Brussels, Paris, and Switzerland.

The Illuminati was renowned for its uncompromising hostility towards religion. According to historian **Michael Howard**, Grand Master Weishaupt felt a "pathological hatred" against religion that their planned revolution tried to realize. It never happened, but their "brothers" in France successfully carried out theirs- in the form of the French Revolution.

To a great extent, the French Revolution was the making of Freemasonry. The Masons saw the Revolution as a major milestone on the way to their desired new social order, as well as an act of revenge for what the French monarchy had done to the Templars.

In the spring and summer of 1789, an **artificial shortage of grain** was created by Illuminist manipulations of the grain market. This produced a **famine** so intense that it brought the nation to the edge of **revolt**.

With the beginning of the French Revolution, the "**Jacobins**", most of whom were also Masons, began a campaign of terror. Ten thousand royalists and church members were sent to the guillotine, **drowning France in a sea of blood**. This was a very meticulously **planned** campaign to

The Courtroom Revolution Handbook

simultaneously reduce the population while creating a **national hostility** towards the monarchy and the church.

They continued to increase in power and influence and actively tried to alter the face of the Earth to suit their purposes and **still continue to do so**, using every means at their disposal.

Napoleon Bonaparte, when he came into power, would not tolerate the activities of the Jacobin Clubs with their independent opposition, so he completely suppressed it. However, the Illuminati just operated under other names. It was under the name of "**The League of the Just**" that **Karl Marx** became a member. He was hired to update the writings of Adam Weishaupt, written seventy years earlier. Weishaupt died in 1830, but his revolutionary plans were carried on by a list of his successors.

The Birth of "Communism"

In 1842 Karl Marx began to write revolutionary propaganda for the League of the Just, hoping to cause a spirit of unrest. In 1844, in collaboration with **Friedrich Engels**, and under the supervision of The League of the Just, Marx began to write the infamous "**Manifest der Kommunistischen Partei**," commonly known today as the "**The Communist Manifesto**," which appeared at the beginning of 1848. Later, the Illuminati operating

DEFEND AMERICAN FREEDOM

under the name of The League of the Just, changed their name to "**The League of Communists**".

Communism derived out of an 18th century version of **Babylonian Witchcraft** (Illuminism), and it insisted on the **forcible overthrow** of all existing social conditions.

The Communists celebrate **May 1st** as the birth of their revolutionary movement because it was the birthday of the Illuminati, founded by Adam Weishaupt. It is not by chance that all Communists use the "**Pentagram**" (five pointed star) as one of their insignia. And, it is not by chance that the Communists use the term RED to describe their revolutionary movement. The **Rothschild** banking family, who for some 200 years had a great influence on the economic and the political history of Europe, was founded by **Mayer Amschel Rothschild** Feb. 23, 1744 in Frankfurt. He had five sons and the family name derived from the RED SHIELD on Mayer's ancestor's house.

...it is more interesting to learn...that Karl Marx was not the real founder of Communist world revolution. It's true father was Adam Weishaupt, founder of the freemasonic order of the Illuminati.

Seventy years before Karl Marx came on the scene, Weishaupt told his disciples that in order to achieve this **One World Government**, his

The Courtroom Revolution Handbook

conspirators would have to **infiltrate every agency** of the governmental affairs of **all the nations** on the planet. They first used the Masonic Lodges as we learned earlier, to begin this task. By sitting in the top seats of all governments, the Illuminati agents could eventually guide the nations toward a "**Novus Ordo Seclorum**," which means in Latin "**A New World Order**". They would accomplish this by the power of the vote which they would have while occupying positions as legislators.

So it was Adam Weishaupt and the "**House of Rothschild**" who started this partly religious and partly political movement foretold in prophecy as the "**Scarlet Coloured Beast**" that shall ascend out of the bottomless pit (Spiritualism). Revelation 17:3, 8.

However, before the people of the world would accept the Luciferian Government which Weishaupt, an apostle of Lucifer, hoped to eventually achieve, there would have to be a culture change within the societies of the people first, along with a **spirit of unrest and riots in the air**. The people of the world would have to be reduced into a Godless society. **Atheism was just a tool to destroy Christianity** in France during the Revolution. Weishaupt and his "Inner Circle" were not ATHEISTS; they believed in a god. However, this god was *not* Jesus Christ, but rather, **Lucifer**. Communism is just an anti-Christian, atheistic force to destroy Christianity and all world

DEFEND AMERICAN FREEDOM

governments, implemented by modern day Luciferians who actually control world commerce.

In his Communist Manifesto, Marx insisted on the forcible overthrow of all existing social conditions with uninhibited abandon.

“...Let the ruling classes tremble at a communist revolution. The proletarians have nothing to lose but their chains. They have a world to win. Working men of all countries, unite!”

Gary Allan, in his multi million best seller [None Dare Call It Conspiracy](#), states the following about Marx's Communist Manifesto:

"If you study Marx Communist Manifesto you will find that in essence Marx said the proletarian revolution would establish the Socialist dictatorship of the proletariat. To achieve the Socialist dictatorship of the proletariat, three things would have to be accomplished.

- 1. The elimination of all right to private property.**
- 2. The dissolution of the family unit: and**
- 3. Destruction of what Marx referred to as the 'opiate of the people', Religion.**

The Courtroom Revolution Handbook

Marx also called for the abolition of Capitalism, which he believed was a struggle between the bourgeoisie (the middle class) and the proletariat (the workers)

Allan goes on to say, "Karl Marx was hired by a mysterious group who called themselves 'The League of the Just Men' to write the Communist Manifesto as demagogic boob-bait to appeal to the mob. In actual fact, the Communist Manifesto was in circulation for many years before Marx' name was widely enough recognized to establish his authorship for this revolutionary handbook. All Karl Marx really did was update and codify the very same revolutionary plans and principles set down seventy years earlier by Adam Weishaupt, the founder of the Order of the Illuminati in Bavaria. And, it is widely acknowledged by serious scholars of this subject that the League of the Just Men was simply an extension of the Illuminati which was forced to go underground after it was exposed by a raid in 1786 conducted by the Bavarian authorities." None Dare Call It Conspiracy, Allan, Concord Press, 1971, p. 25.

Even though Allan dates the exposure of the Illuminati at another year than what we read from a Masonic book, nevertheless, it does not alter the fact that these things are historically true. Marx also called for the abolition of Capitalism, which he believed was a struggle between the bourgeoisie (the middle class) and the proletariat (the workers).

The first Russian Marxist group was formed in 1883 in the very year of Marx's death by **Lenin**, who was a Russian Revolutionary exiled in

DEFEND AMERICAN FREEDOM

Switzerland. Between 1900 and 1903 Lenin called his revolutionaries the “**Bolsheviki**”, then later renamed themselves" Communists, after Marx's term in the Communist Manifesto.

Marxism tells the poor that if they would establish a dictatorship of the proletariat, which would set up a classless Communist society, everyone would live in peace, prosperity, and freedom. There would be no more need for governments, police, or armies, and all these would gradually wither away. Marx said that the ruling class would never willingly give up its power, and that struggle and violence were therefore inevitable.

This would naturally sound terrific to some poor struggling blacks, or to the starving in the Latin American countries. But what the Communist leaders don't tell the people is that the leaders are exempt from sharing equally the material wealth of their nation.

How many Russian leaders do you see among the poverty stricken? The real motive behind Communism is not to distribute the wealth of the world equally, but the Communist Party is just a **front for the super-rich** as an instrument for gaining and using power. **IT IS NOT THE COMMUNISTS THAT RUN COMMUNISM.** There is yet another **controlling power behind communism.** Communism and socialism are just arms of a more devilish conspiracy working

The Courtroom Revolution Handbook

behind the public eye, that is not being run from Moscow or Peking, but from **New York, Paris, and London.**

"'Communism' is not a movement of the down-trodden masses but is a movement created, manipulated, and used by power-seeking billionaires in order to gain control over the world ... first by establishing socialist governments in the various nations and then consolidating them all through a 'Great Merger,' into an ALL POWERFUL WORLD SOCIALIST SUPERSTATE probably under the auspices of the UNITED NATIONS." **None Dare Call It Conspiracy, Allan, Concord Press, 1971.**

It is the **International Bankers** who are actually pulling the strings that control the affairs of Communism, not the Communists. Russia, China, Cuba, Poland, etc. are taking their orders indirectly from the super-rich International Bankers who **control the commerce of this world.**

Russia and China are perfect example today of what the Illuminati plans are for the world. There are about 1.1/3 billion persons, or about a third of the world's population, who now live under Communist rule. However, it is estimated that only 10% of the people are actually members of the Communist Party themselves. Look at Russia today and it's Communist brethren worldwide. **The Communist Party allow no political rivals, and the voters have no real choice among candidates.** The truth is that the Communist Party itself is a **highly centralized government,**

DEFEND AMERICAN FREEDOM

and **only its top members make important decisions**. Most Communist countries are nothing less than **open air concentration camps**. And, contrary to Marx's predictions, their conflicts, crime, and prejudices have not vanished in these Communist countries. There is just as much centralization of the wealth of a nation **for the gain of a few**, at the **expense of the poor and middle class**, in Communist countries as there is in non-Communist countries. There can also be seen in Communist countries the same national and racial hatred they were supposed to be free of.

Karl Heinrich Marx (5 May 1818 – 14 March 1883), a 19th century Jewish political ideologue was born in Trier, Kingdom of Prussia on 5 May 1818, an Ashkenazi Jew, to Hirschel Mordechai and Henriette Pressburg. Marx's Jewish name is Chaim Hirschel Mordechai. **Marx descended from Talmudic rabbis**; his paternal ancestors had provided rabbis to Trier since 1723, a post last held by his grandfather. Marx was brought up by his family to **hate Jesus Christ**. He was a student of the German occultist, **Bruno Bauer** (Rothschild) and not only did Karl Marx maintain close ties with the Jesuits and Freemasonry throughout his career; he was also directly related to the British aristocracy through his marriage to **Jenny Von Westphalen**, a descendant of the Countess of Balcarras and Argyll, two of the oldest titles in England.

The Courtroom Revolution Handbook

He presented himself to the world as a journalist and economist. He is best known for subverting the nascent Socialist movement, likely as an agent of his cousin Rothschild; and on instructions from his mentor **Moses Hess**, creating a supposedly “scientific” theory known as “**Marxism**”. Marx came from a long line of Jewish rabbis. He lived in Dean Street, London in squalor. He used to visit the Red Lion Pub at Great Windmill Street, Soho where he and **Friedrich Engels** were asked to write what became the *Communist Manifesto*. His best known work is the book *Das Kapital*, which fails to mention that money is printed out of thin air and by his cousins, the Rothschilds.

The Rothschild connection becomes more evident when one knows that the ‘**Bund der Gerechten**’ (League of the Just), later known as the ‘**Bund der Kommunisten**’ (League of the Communists), which paid Marx to write the Communist Manifesto and was the predecessor to the Communist party, was actually **financed by the Rothschilds**. The Bund actually had prominent members in it’s ranks, many of them Jews, for example, a member of the Oppenheimer family, who are said to be one of the **thirteen Illuminati bloodline families**. Marx was just an agent of the Illuminati and not a fighter for mankind.

During the Napoleonic War of the Sixth Coalition, [Marx’s father] **Hirschel Mordechai** became a Freemason in 1813, joining their **Loge L’Ètoile**

DEFEND AMERICAN FREEDOM

anséatique (The Hanseatic Star) in Osnabrück. After the war, he feigned conversion to Lutheranism as a means to better infiltrate Prussian society. He pretended to be an “**assimilated**” bourgeois Enlightenment liberal, interested in “**free thought**” and was wealthy, owning some Moselle vineyards.

One of Marx’s grandparents was **Nanette Salomon Barent-Cohen**, who belonged to a wealthy Amsterdam family. Her cousin had married Nathan Mayer Rothschild and bore **Lionel Nathan Rothschild**, “**Baron**” and Member of Parliament for the City of London.

Was **KARL MARX** a Rothchild agent?

Critics have suggested that Marx’s mission was to co opt the nascent socialist movement. Before Marx ever wrote a word, following the industrial revolution, the socialist movement already existed in Germany, France, Britain, and elsewhere. Marxists have tried to monopolize socialism and insist that unless you follow Marx’s theories, you cannot be a socialist. This is a clear fraud and usurpation.

A major question in this regard, is “who was behind Marx?” The book ***Der preußische Regierunsagent Karl Marx*** by Wolfgang Waldner, suggests that initially Marx worked as a police spy for the Prussian regime.

The Courtroom Revolution Handbook

Waldner mentions the fact that Marx married **Jenny von Westphalen** in 1843. She came from a wealthy Prussian family. Her brother was **Ferdinand von Westphalen**, who was Prussian Minister of the Interior from 1850-1858. Ferdinand, Marx's brother-in-law, was regarded as "**reactionary**", who ran a vast spy network which kept tabs on dissidents...

Marx moved to London in 1849 and while he was authoring *Das Kapital* in the British Museum reading room, his famous cousin **Lionel de Rothschild**, conveniently, was MP for the City of London (1847-1868 & 1869-1874).

The Rothschilds (Marx's third cousin by blood) and other Jewish finance syndicates were very prominent in promoting "**Jewish Emancipation**" and Masonic, liberal and Protestant ideas which took hold of society at the start of the 19th century....

The idea of Marx as a Rothschild shill...was raised as a concern by his contemporary rival in the First International, **Mikhail Bakunin** in 1869, who was not even aware of the fact that Marx and Rothschild were cousins. Bakunin wrote presciently:

"This world is now, at least for the most part, at the disposal of **Marx** on the one hand, and of **Rothschild** on the other. This may seem

DEFEND AMERICAN FREEDOM

strange. What can there be in common between socialism and a leading bank? The point is that authoritarian socialism, Marxist communism, demands a strong centralisation of the state. And where there is **centralization of the state**, there must necessarily be a **central bank**, and where such a bank exists, the parasitic Jewish nation, speculating with the Labour of the people, will be found.”—**Mikhail Bakunin**, *Profession de foi d’un démocrate socialiste russe précédé d’une étude sur les juifs allemands*, 1869.

RUSSIA

Perhaps the most pronounced and consistent aspect of Marx’s ideology was his extreme and radical hatred of Russia [the last bastion of Christian civilization...]... He and Engels regarded Russians and Slavs in general as subhuman (völkerabfall) barbarians. Had he lived to see his ideological jewish heirs **Vladimir Lenin**, **Leon Trotsky**, **Grigory Zinoviev** butcher them by the millions, he would no doubt have cackled in orgasmic joy at the horrors visited upon them; men, women, and children.

Marx used the newspaper *Neue Rheinische Zeitung* to try and incite a war against Russia. This “**Russophobia**” was also behind the strange alliance with **Tory**, **David Urquhart**, when he

The Courtroom Revolution Handbook

moved to London and Marx thus has the blood of the people who died in the Crimean War on his Jewish hands. **Henry Hyndman**, who spent many hours in Marx's company in his *Record of an Adventurous Life* attributed this anti-Russian obsession to Marx's Jewish ethnocentrism.

The Soviets tried to cover up this fact about Marx.

QUOTES FROM MARX:

"The Jew has emancipated himself in a Jewish manner not only by gaining financial power, but because through him and without him money has become a world power and the practical Jewish spirit has become the practical spirit of the Christian nations. The self-emancipation of the Jews has gone so far that the Christians have become Jews. Yes, the practical dominion of Judaism over the Christian world has reached its normal, unambiguous expression in North America. "

"What was the real basis of the Jewish religion? Practical need, egotism. The God of practical need and egotism is money. Money is the jealous God of Israel before whom no other God may endure. Money debases all gods of men and transforms them into commodities. The God of the Jews has become the God of the universe. The real God of the Jews is money. Their God is only an illusory bill of exchange."

"We recognize therefore in Judaism a generally present anti-social element which has been raised to its present peak by historical development, in which the Jews eagerly assisted, and now it has of necessity to dissolve itself. In its final meaning, the emancipation of the Jews is the emancipation of humanity from Judaism."

DEFEND AMERICAN FREEDOM

“The classes and the races, too weak to master the new conditions of life, must give way.... They must perish in the revolutionary holocaust.”—**Karl Marx, Marx People's Paper, April 16, 1856, Journal of the History of Idea, 1981,**

“The chief mission of all other races and peoples, large and small, is to perish in the revolutionary holocaust.”
—**Karl Marx Die Neue Rheinische Zeitung NZR January 1849**

The “**Communist International**” was the first step in this program of activism. At first it was simply known as the League of the Just, a branch of the Illuminati. This group commissioned Karl Marx to write the Communist Manifesto in 1847; it was published in 1848 and was immediately given worldwide circulation by the international offices of Freemasonry. Throughout his long political career, Marx was known to work actively with both the **Jesuits** and the **Freemasons**. In 1864, Marx organized the “**International Workingmen's Party**” in London; in 1872 he moved it to New York, where it was merged with the “**Socialist Party**”. Marx received a regular stipend from American newspapers as a columnist, employment which had been arranged for him by the Freemasons.

It must also be remembered that Marx was employed by **Lord Palmerston** and wrote his manifesto during his employment. **Queen Victoria's consort**, Lord Palmerston was probably the most evil man of the 19th century. He was the

The Courtroom Revolution Handbook

chief instigator of the **Crimean war**, the **Taipei Rebellion**, the **American Civil War** and the various difficulties in India/ Burma totaling an estimated **35 million dead**. Palmerston employed Marx to come up with a new system of government and economics purposely designed to not work as an answer to "**Lincoln's National Bank**". Palmerston and his banking ilk regarded Lincoln's national bank as a direct threat to British hegemony and imperialistic predatory banking. Palmerston paid Marx so poorly that two of his children starved to death while under his employ.

Russia's secretary of economics **Sergei Witt** was working to instigate the **National Bank of Russia**, while Bismark was doing so in Germany. In China, after WWI there was a movement towards a National Bank being pushed by American educated **Sun Yat Sen**.

Britain's crown and banker cartel's goal was to turn the Russians against Germany and to replace the nationalistic tendencies with a counterfeit system called Communism thus maintaining their hegemony. Thus we can conclude that WW1 and the Chinese Civil War were all British/Dutch banker's machinations.

In the 1890's this world revolutionary movement added to its membership **Vladimar Ilyich Ulyanov**, who changed his name to **Nicholai Lenin**. As the Illuminati terrorist group in France (Jacobin

DEFEND AMERICAN FREEDOM

Clubs) caused the fall of the government of **Louis XVI**, so did their later aristocratic brethren operating under the name of **Bolshevism** cause the overthrow of the Tsar in Russia and cause the Russian Revolution in 1917. It will be shown later that these Communists were financed by both European and American International Bankers.

The ideas Lenin developed were directly from the Karl Marx Communist Manifesto, and the ideas founded in the Communist Manifesto were directly from the writings of Dr Adam Weishaupt, who took his orders from the **House of Rothschild**.

Lenin announced to the world before the overthrow of the Tsar in Russia the following:

"After Russia we will take Eastern Europe, then the masses of Asia, then we will encircle the United States which will be the last bastion of capitalism. We will not have to attack. It will fall like an overripe fruit into our hands".

In 1849 both **Horace Greeley** and **Clinton Roosevelt** contributed financially to the "**Communist League**" in London to assist in the publication of the Communist Manifesto. Other contributors were the English millionaire, **Cowell Stepney**, and of course **Friedrich Engels**, who was a wealthy German. And, up until recently, two checks made out to Karl Marx by **Nathan Rothschild** could be seen on display at the British Museum. **Lenin**, **Trotsky**, and **Stalin** were financed

The Courtroom Revolution Handbook

by Capitalists from America, England, and Germany, to help promote the **Bolshevik Revolution** in Russia.

" 'Communism' is not a movement of the down-trodden masses but is a movement created, manipulated and used by power-seeking billionaires in order to gain control over the world ... first by establishing socialist governments in the various nations and then consolidating them all through a 'Great Merger,' into an ALL POWERFUL WORLD SOCIALIST SUPERSTATE probably under the auspices of the UNITED NATIONS." **None Dare Call It Conspiracy, Allan, Concord Press, 1971.**

However, the Communist plan to overthrow the last bastion of capitalism (The United States) is to be attacked politically, socially, and economically, as Lenin planned. **Robert L. Preston**, in his book *Wake Up America*, states the following:

When Nikita Khrushchev visited the United States, he boasted that the Communists would bury us and that our grandchildren would live under Communist rule. He even outlined the exact manner in which they would accomplish it:

"You Americans are so gullible. No, you won't accept Communism outright, but we'll keep feeding you small doses of Socialism until you'll finally wake up and find you already have Communism. We won't have to fight

DEFEND AMERICAN FREEDOM

you. We'll so weaken your economy until you'll fall like overripe fruit into our hands."

"As outlined by Khrushchev and Lenin, there is no intention for the Communist to attack us in battle; they expect us to fall into their hands like overripe fruit. They intend to bring this about by weakening our economic structure until we are financially insolvent and by giving us more and more Socialism until we are too weak to resist the final thrust into complete Communist rule. As we review the Socialistic and economic picture in this nation today, we are forced to admit that they have once again proceeded exactly as planned." **Wake-Up America, Hawkes publishing Inc., 3775 South 500 W., Salt Lake City, Utah 84115.**

Speaking of Salt Lake City, it should be no surprise to you that the founders of both "faiths", the **Mormons** and **Jehovah's Witnesses**, were of the **Illuminati** bloodline. **Charles Taze Russell**, who founded the **Watchtower Society** (JWs), was of the **Illuminati Russell** bloodline, which also founded the infamous **Skull and Bones Society** at **Yale University**. **Charles Taze Russell** was a **Satanist**, a **paedophile** according to his wife, and a **friend of the Rothschilds**.

Indeed it was the **Rothschilds** who funded the **Jehovah's Witness** operation into being, along with other **Illuminati** bankers, through "contributions" by **Rothschild-controlled B'nai B'rith**. which was proved in a court of law in 1922.

The Courtroom Revolution Handbook

Joseph Smith, along with **Hiram Smith** and **Brigham Young**, were the key figures behind the creation of the “**Mormon**” religion. They were of the elite of the elite **Illuminati** bloodline, the **Merovingian** or “**Holy Grail**” line, and were all high degree **Freemasons**. They were also **Satanists** and formed their “**church**” as a front for Satanic activity which very much **still goes on today**. Why wouldn't it? That is what it is there for. The Mormon empire was funded into existence by the Rothschilds through their **Kuhn Loeb** bank which also funded the Russian Revolution and **Adolf Hitler**, and yet again **B'nai Brith**, the Rothschild intelligence arm and defamer of genuine researchers, was involved.

Situated at the heart of Salt Lake City, Utah, **Temple Square** is the spiritual, cultural, and administrative center of the Mormon faith. This ten acres plot of land includes a “**Temple**”, a domed “**Tabernacle**” and numerous buildings, “**Monuments**” and “**Memorials**”. While this people of this place may seem holy and wholesome, a closer look at the structures reveal a heavy presence of “**Occult**”, “**Pagan**”, and “**Masonic**” symbols which all constitute “**Idolatry**”. A deeper study of those grounds only adds to the controversy regarding Mormonism and reveals the disturbing truth about its real god, Lucifer.

The newspaper *Independent's* 21st January 1995 issue gave it a headline article, launching an

DEFEND AMERICAN FREEDOM

inquiry into Freemasonry for the first time in British history. It reported that the Masons were an organization 300,000 strong, represented at the top of the police force, in the government, the House of Lords, the high court, banking, the boardrooms of the largest companies and every part of the establishment, even the Fake Royal family!

Today, Rosicrucians, the Freemasons, Illuminati, and Knights Templar are still in existence and openly have websites online.

The connection between the **Georgia Guidestones** and Rosicrucianism goes beyond the obvious allusion in the name of their creator, **R.C. Christian**, for not only the message written on the stones but the proportions of the number 1:2:10 also signifies the “Hidden Hand” of the Rosicrucians as a whole.

There are approximately 4 million masons around the world according to the website of the **Masonic Service Association of North America**. The Freemasons remain a popular international fraternal order that raises money for charitable causes as a cover for their ulterior motives.

But how deep does the rabbit hole go, why is a “**White Rabbit**” used as the metaphor, and how did they actually brainwash every American into blindness, ignorance and cowardly subservience?

The Courtroom Revolution Handbook

Getting into modern times, around 1902, the world's most evil man, **Aleister Crowley** A.K.A. "**The Beast**" was getting all drugged out and reinventing magick. When he was stoned out of his mind on heroin he channeled "**The Book of the Law**" from an ET called **Lam**. The drawing of Lam was the very first drawing of the typical alien face; huge pear-shaped head, big eyes, little nose and tiny mouth.

Now, Crowley is considered the father of modern magick. All New-Age religions and magickal practices including Golden Dawn, Enochian Magic, Witchcraft, Wicca, Modern Freemasonry, Channeling, and **Black Magic** have their origins in his work.

From his channeled "**Book of the Law**" originates the phrase "**Do as thou wilt shall be the whole of the law**" which suggests that the magician can get away with anything without facing any consequences; that there is no cause and effect; as if Karma is not a Natural law and it does not apply to the magician. With a belief that there is no consequence, the imagination of occultists can get pretty dark as you will soon see. Now, if you go to any bohemian coffee shop, you will see lots of tattooed kids who practice variations of Crowley's work as if it were religion.

The secret order, now using Crowley and the impostor Royal family as their tools, wanted to start manipulating the nations of the world, so they hired two brothers to work with **Freud** and **Jung** on this.

DEFEND AMERICAN FREEDOM

Why **Freud** and **Jung**? Because they were studying shell-shocked soldiers from WWI, to see how people behaved after they've been severely traumatized (origins of MK-ultra).

In 1913, the British Royal Family, jealous of German trade success, wanted to start a war with them. The English public, however, had no quarrel with the Germans, says **Dr. John Coleman**. So, two brothers at a place called **Wellington House** were hired to turn public opinion around, which they did do. Soon enough the British came to believe that **Kaiser Wilhelm** and the Germans in general, were a vile and despicable people. They were ready for war.

These two brothers used the newspapers to start WWI with slanderous cartoons to convince the peaceful British to go to war against Germany.

Thus began the work of the **Tavistock Institute** that continues today. The brothers had invented a set of insidious, malicious methods that turn minds into mush; that make people utterly controllable; that make them believe lies.

A good movie that shows how the occultists and the Illuminati work together to manipulate the population with propaganda and warfare during the late 1800's, watch the two Sherlock Holmes movies with **Robert Downey Jr.** playing Sherlock.

To take control of the world, these conspirators had to get control of the world monetary systems through a "**Central Bank**".

The Courtroom Revolution Handbook

Their success in creating WWI once again proved the power of propaganda and these two brothers were contracted by the ruling families to ultimately establish the **Tavistock Institute of Human Relations** which still reigns from its headquarter in London.

Because of the intensive artillery barrages of World War I, many soldiers were permanently impaired by shell shock. In 1921, the **Marques of Tavistock**, *11th Duke of Bedford*, gave a building to a group which planned to conduct rehabilitation programs for shell shocked British soldiers. The group took the name of "**Tavistock Institute**" after its benefactor.

The General Staff of the British Army decided it was crucial that they determine the breaking point of the soldier under combat conditions. The *Tavistock Institute* was taken over by **Sir John Rawlings Reese**, head of the British Army Psychological Warfare Bureau.

Based on Jung and Freud's work, the Institute realized that by means of **repeated psychological shocks**, or stressful events, **entire populations could be psychologically-controlled**.

Funded by the Rockefeller Foundation and other large corporations, they established a **global network of psychiatric centers** to conduct their research.

DEFEND AMERICAN FREEDOM

Tavistock, formally established in 1922, was designed to be the **mind-control nerve center of the world**, from which all the propaganda and media in the world would be standardized and broadcast. They **syndicated all the news** and had control of all the, **newspapers, publishing houses, radio stations** as well as all the **film studios** in Hollywood and Ithaca, the small town that hosts Cornell University.

The goal of the [Tavistock Institute](#) for Human Relations was to perfect a system that would **subvert and then control the thinking of human beings** so that they could be **channeled in any direction**; so desired by the “**Committee of 300**”, also known as the “**Olympians**”. It must be said that to do this, one must introduce an **automated mentality** into the bulk of the targeted population. This is an objective with very far-reaching implications nationally and internationally.

They had all of Europe under their control and, with WWI, they were able to drag the United States into it but they needed a way to get inside the **minds** of America's people.

Around the turn of the 20th century, Nicola Tesla had just invented this amazing new device called radio which soon became the means for mass communication and population control.

The Courtroom Revolution Handbook

The Institute developed the **mass brain-washing techniques** which were first used experimentally on American prisoners of war in Korea.

The Institute's goal was to introduce a science-fictional, alternate reality of **Godless totalitarian technocracy** into the collective subconscious of the entire world's population, masterfully depicted in the film: **THX 1138** by George Lucas.

This was entirely possible because through the **Tavistock Institute**, the Templars were **secretly in control of all the thoughts of all the people of the world** because the wealthiest families owned all of the media outlets, institutions, and corporations. Not only did they own all the big institutions, it's also those very same families in the background who **own all the bombs and bandages** and profit from selling them to both sides of every war. This is how it works, to this day.

One of the rare items concerning the *Tavistock Institute* appears in *Business Week*, Oct. 26, 1963, with a photograph of its building in the most expensive medical offices area of London. The story mentions "the Freudian bias" of the Institute, and comments that it is amply financed by British blue-chip corporations, including Unilever, British Petroleum, and Baldwin Steel. According to *Business Week*, the psychological testing programs and group relations training programs of the Institute were implemented in the United States by the University of Michigan and the University of California, which are hotbeds of radicalism and the drug network. - Secrets of the Federal Reserve by **Eustace Mullins**

DEFEND AMERICAN FREEDOM

Tavistock's Operation Research project states as follows:

"Our research has established that the simplest mode of gaining control of people is to keep them undisciplined and in the dark of basic systems and principles while at the same time keeping them disorganized, confused and distracted by issues which are of relatively little import.

"In addition to our less direct long-range penetration methods, this can be accomplished by a disengagement of mental activities and providing low quality programs of public education in mathematics, logic, system designs, and economics and by discouraging technical creativity.

"Our mode calls for emotional stimulus, increased use of amplifiers which induce self-indulgence, whether direct (television programs) or advertising. We at Tavistock have found that the best way to accomplish the goal is through an unremitting and unrelenting emotional affrontation and attack (mental rape) through a constant barrage of sex, violence, wars, racial strife both in the electronic and print media. This steady diet could be called 'mental junk food'.

"Of primary importance is the revision of history and law and subjecting the populace to the deviant creation, thus shifting thinking from personal needs to constructed, fabricated outside priorities. The general rule is that there is profit in **confusion**, the greater the confusion, the greater the profit. One of the ways in which this can be accomplished is to create problems and then offer solutions.

"It is essential to **divide** the people, keep the adults' attention away from real issues and overcome their thinking with matters of relatively little importance. The young must be kept **ignorant** of mathematics; the proper teaching of economics and history must never be made

The Courtroom Revolution Handbook

available. Keep all groups so occupied with an endless round of issues and problems that they have no time to think clearly, and here, we rely on entertainment which should not reach beyond the mental capacity of a child in the sixth grade.

"When government is able to seize private property without just compensation, it is certain that people are ripe for surrender and consenting to slavery and legal encroachment. Energy sources which support a primitive economy are a supply of raw materials, the consent of people to labor, and assume a certain place, position, level in the social structure viz., provide labor at various levels of the structure.

"Each class, therefore, guarantees it's level of income and hence controls the class immediately below it, thereby preserving the class structure. One of the best examples of this was found in *the caste system in India*, in which rigid control was exercised, ensuring that upward mobility which could threaten the elite at the top, was constrained. In this method is security and stability attained, and also a government from the top.

"The sovereignty of the elite is threatened when the lower classes, through communications and education become informed and envious of the power and possessions of the class above them. As some of them become better educated, they seek to rise higher through a real knowledge of economics-energy. This presents a real threat to the sovereignty of the elite class.

"It follows that *the rise of the lower classes must be postponed long enough for the elite class to achieve energy (economic) dominance*, labor by consent becoming a lesser economic source. Until such economic dominance is achieved to the fullest extent possible, the consent of people to labor and let others handle their affairs has to be taken into account. Failure to achieve this goal would result in interference in the

DEFEND AMERICAN FREEDOM

final transfer of energy sources (economic wealth) to the control of the elite.

"Until such times, it is essential to recognize that public consent is still the essential key to the release of energy in the process of economic amplification. A consent of energy release system is therefore vital. Artificial security must be provided in the absence of the mother's womb, which can take the form of withdrawal, protective devices, and shelters. Such shells will provide a stable environment for stable and unstable activity, and provide a shelter for the evolutionary processes of growth, that is to say, survival in a shelter that gives defensive protection against offensive activities.

"It applies equally to the elite and the lower classes, but there is a definite difference in the manner in which both these classes approach the solution of the problem. Our social science scientists have made out a very compelling case that the reason why individuals create a political structure is because they have a subconscious desire to perpetuate their childhood-dependency relationship.

"In the simplest of terms, what the subconscious longing demands is an earthly god to eliminate risks from their lives, put food on the table and pat them on the back in a comforting way when things don't go well. The demand for an earthly problem-solver-risk-eliminator is insatiable, which has given rise to a substitute earthly god: the politician. The insatiable public demand for 'protection' is met by promises, but the politician actually delivers little or nothing on his promises.

"Ever present in humans is a desire to control or subdue others who disturb their daily existence. However, they are unable to cope with the moral and religious issues such actions would raise, so they give the task to professional 'hit men', which we call politicians.

The Courtroom Revolution Handbook

"The services of politicians are engaged for a number of reasons, which, in the main are listed in the following order:

- 1) To obtain the longed-for security without managing it.
- 2) To obtain action without the need to act, and without having to give the desired action thought.
- 3) To avoid responsibility for their intentions.
- 4) To obtain the benefits of reality without exerting the necessary discipline of learning.

"We can readily divide a nation into two sub-categories, the *Political Sub Nation* and the *Docile Sub-Nation*. The politicians hold quasi-military jobs, of which the lowest is the police force, next come attorneys. The presidential level is run by the international bankers. The docile sub-nation finances the political machine by consent, that is to say, through **taxation**. The sub nation remains attached to the political sub-nation, the latter feeding off it and growing stronger, until the day comes when it is strong enough to devour it's creator, the people."

Tavistock's method is **infiltrate, dis-inform, traumatize, divide, and decimate**. Their agenda is to **normalize war, destroy the nuclear family unit, and propagate the NWO**.

There were a few peculiar things that happened just before the institute was created.

1. The strongest proponent for "**Centralized Banking**", **J.P. Morgan**, invited all of the opponents of centralized banking onto the maiden voyage of one of two twin ships he

DEFEND AMERICAN FREEDOM

had recently built, the one named "**The Titanic**"

2. The ship sank.

3. The "**Federal Reserve Act**" was created.

Then there was the stock market crash of 1929, the great depression and "**The New Deal**" calling in the gold and issuing paper money instead.

In 1930, **Ras Tafari**, the **second coming of Christ**, the **Conquering Lion of the tribe of Judah**, **Lord of lords**, **King of kings**, **Haile Selassie I**, direct descendant of King Solomon, was crowned Emperor of Ethiopia.

Delegates from every royal house in the world was there, basically acknowledging him as the rightful heir to the throne of the Emperor of the world.

Hitler and **Mussolini** were not happy about this so Mussolini told the **League of Nations** that if they gave him Ethiopia, then he would not invade any of their other countries. That's called "**appeasement**" and was a violation of the League's compact.

So after Mussolini drove Emperor Selassie into exile, Selassie went to the League of Nations with a chastisement and then went to pray at the **Temple of the Holy Sepulcher**. From there he went to see each of the world's kings in their castles and instructed them to form an alliance with the other kings or the "**Axis**" would invade their countries.

The Courtroom Revolution Handbook

Now, here's where it gets really weird:

Across the pond during the great depression, out of an affluent family, albeit a broken home, comes this devious brat with a fetish for explosives and a fascination with the occult. His name was **Jack Parsons**.

The twisted story of Jack Parsons is the 2018 CBS series, **STRANGE ANGEL** based on George Pendle's book by the same name. The story follows the life of Jack Parsons, a mysterious and brilliant man in 1940s Los Angeles, who by day helps birth the entirely unknown discipline of American rocketry, and by night is a performer of **sex magick rituals** and a disciple to occultist **Aleister Crowley**.

Now, Jack Parsons was considered the world's foremost rocket scientist and was hired by the U.S. Govt. to start **Jet Propulsion Laboratories**. So he did.

His fascination with the occult led him into correspondence with an **MI-5 British Intelligence** (Tavistock) agent named **Aleister Crowley** and they became friends. "The Order" had it's "in". (Remember Tavistock controls all institutions including MIT, MI-5, MI-6, CIA, FBI, Stanford University, University of Michigan, etc.)

Parsons so admired Crowley that he offered his Pasadena home to him to be used as the North American Lodge of his **Ordo Templi Orientis** (O.T.O.).

DEFEND AMERICAN FREEDOM

He needed some magickal play-buddies for his occult rituals so he started recruiting the most bohemian and eccentric characters he could find: **celebrities, magicians, eccentric elites**, and he even joined the **Los Angeles Science Fiction Book Author's Club**. He did this by renting rooms out in the lodge with newspaper ads. In the ads placed in the local paper Jack specified that **only bohemians, artists, musicians, atheists, anarchists, or any other exotic types need to apply** for rooms—any mundane soul would be unceremoniously rejected.

In the lodge in Pasadena, Jack and others took part in strange occult rituals like **eating cakes prepared with menstrual blood** and the devil knows what else.

Now, remember, this was before T.V.. Radio was new and books were very popular back then. Science fiction, travel to other planets and universes was catching on and the sci-fi authors were inspired by the out-of-body travel that connected Crowley with Lam the Alien.

Yes, the classic authors like **Ray Bradbury, Robert Heinlien, Isaac Asimov, Aldous Huxley, George Orwell, Phillip K. Dick, and H.G. Wells** were all "under the influence". They were praised as the most innovative authors and their works completely changed the shape of the thinking of modern man. **Bradbury** was recognized for making significant contributions to the English Language but there was a very dark and

The Courtroom Revolution Handbook

catastrophic backlash that came from this "renaissance" that was happening in California, much more sinister than the Renaissance in Europe that was funded by the **Medici family**.

Nearly every single person in the world is now suffering the backlash of what these demons did in that house.

It just so happened that one of the sci-fi authors was a character named **L. Ron Hubbard** and he became very close friends with Jack Parsons. Maybe too close.

During that time some of the world's most forward thinking, albeit godless, science-fiction was written standardizing the globe-earth theory and introducing the concept of **space travel** between spherical planets, **gender equality**, **sexual promiscuity**, **pedophilia**, **inter-stellar totalitarianism**, **vicious alien invasions**, **socialism**, **Artificial Intelligence**, and **eugenics**.

Then the next big social engineering, **MK-Ultra** trauma mind-control project was unleashed on

the American Population with **Orson Wells'** radio rendition of the "**War of the Worlds**", sending the nation into panic and introducing the concept of **hostile invaders from space** into the collective mind.

On the inside, the U.S. govt. was embarrassed by Parsons' reputation so they fired him from JPL.

DEFEND AMERICAN FREEDOM

Hollywood was the Institute's next conquest and this was assisted with a weirdo named **Anton LaVey** who started the **Church of Satan**.

LaVey seduced America's most beloved movie stars into his cult, which was merely a cell of Crowley's O.T.O.. In fact, every occult order in the world is subordinate to the O.T.O., a Tavistock agency.

He did this with the aid of **Frank Sinatra** and "**Rat Pack**" who went on to build "**Sin City**" in conjunction with "**the Mafia**". Once Hollywood had been taken over by the institute, **all content in all media** would be satandardized to brainwash the population to meet their atheistic, communist, vampire agenda.

It was easy with personalities like **Frank Sinatra** and **Walt Disney** in the club.

Nobody listened to Emperor Selassie until he went to Buckingham Palace. Shortly after Selassie's visit with the king, the Luftwaffe bombed the shit out of London.

By this time the Institute had worked its way into America's media and, through propaganda, used WWII to **divide the nuclear family unit** and get the **feminist movement** started by getting the boys to volunteer for the war and putting the **women in the workforce**.

After the London bombing, the King of England decided to follow his Emperor's instructions and asked all the other kings to come together and

The Courtroom Revolution Handbook

form "**The Allies**". It was game on! Even the U.S. Jumped in on this one. The devil was subdued...for a while.

Selassie united Africa, freed 23 countries from imperial rule, united the world by starting the **United Nations** (which was ultimately infiltrated by Templar agents). He's the origin of the **Rastafarian** religion, he **liberated Zimbabwe** from white supremacist rule, and gave his royal ring to **Bob Marley**, and was given an honorary doctorate degree by every major university in the world. **JFK** really admired him and you can see it in his face if you look up his welcome of **HIM Haile Selassie** on youtube.

If you hadn't noticed already the 20th century was unfolding straight out of the "**Book of Revelation**" and these guys wanted to unleash the spirit of "**The Whore of Babalon**" upon the world, so, shortly after fire and brimstone was rained down on the Japanese cities of Sodom and Gomorrah, Jack Parsons and his best buddy L. Ron, decided to do something their master Crowley, gave explicit instruction not to do (like something right out of a science fiction movie).

They agreed to perform a ritual that Crowley had channeled from the alien, "**The Babalon Working**" ritual. They did this ritual even though Crowley told them not to do it and if you want to know the details of the ritual, you can look that shit up on the internet. I'm not going to go into that here.

DEFEND AMERICAN FREEDOM

After the ritual, it was observed and reported that these guys were never the same again. You see, they thought that the spirit was going to come out of a woman's womb. What they didn't realize is that this ritual **unleashed the spirit on the whole world through the media system** that was now under the devil's control.

So, basically, every person who was into the occult got possessed by that spirit and were all now advertising and advocating for the feminist/ communist/ atheist/ pagan/ sodomist **Ayn Rand Blavatsky** New Age movement. Every single one of them black and white movie stars were sucked into the cult and used to serve Lucifer, "**the rising sun**".

Saith the Lord: "For all nations have drunk of the wine of her fornication, and the kings of the earth have committed fornication with her, and the MERCHANTS OF THE EARTH are waxed rich through the abundance of her delicacies. How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow. Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who iudgeth her. And the MERCHANTS OF THE EARTH shall weep and mourn over her; for no man buyeth their merchandise any more." **Revelation 18:3, 7, 11.**

Shortly after the ritual, Hubbard rips Parsons off for his life savings in a "business opportunity" runs off with his wife and starts "**Scientology**".

The Courtroom Revolution Handbook

Parsons went on to pen an illeist autobiography titled *Analysis by a Master of the Temple* and an occult text titled *The Book of AntiChrist*. In the latter work, Parsons (writing as *Belarion*) prophesied that within nine years **Babalon would manifest on Earth** and supersede the dominance of the “**Abrahamic religions**”.

Shortly thereafter, Jack Parsons blows his right arm and half of his face off playing with gunpowder in his garage. Whether it was an accident, suicide, or an assassination planned by Howard Hughes remains a mystery.

Science fiction writer and occultist Robert Anton Wilson described Parsons' political writings as exemplifying an "ultra-individualist" who exhibited a "genuine sympathy for working people", strongly empathized with feminism and held an antipathy toward patriarchy comparable to that of John Stuart Mill, arguing in this context that Parsons was an influence on the American libertarian and anarchist movements of the 20th century. Parsons was also supportive of the creation of the State of Israel, making plans to emigrate there when his military security clearance was revoked.

With the release of the series “**Strange Angel**” by **Ridley Scott** on CBS in 2018 (same director that did the **Alien** movies and **Blade Runner**), all of a sudden, out of the blue, it seems that Parsons was a much more important figure in the Luciferian cult’s agenda than anyone had ever noticed.

DEFEND AMERICAN FREEDOM

The Institute's next conquest was with **Brando**, **Elvis**, B movies and black and white TV. They controlled it all. They had an agenda and they were going to use everything they had including **Jim Henson's** puppetry and **Ed Sullivan** to transform the American Population from an ordered God-fearing society into an ocean of paranoia, abandon, hedonism, and strife.

Disney's underground **Club 33** was providing the teenage stock for the beach movies while above ground they were slipping occult ritual magick and science-fiction into all of their productions.

Aldous Leonard Huxley was an English writer and prominent member of the Huxley family. Much like **George Orwell**, in his book **1984**, Huxley is best known for promulgating the concept of a highly controlled, intoxicated society. His fictional novel, **Brave New World**, is set in a futuristic society that is completely dependent on pharmaceuticals for happiness. The novel would later prove prophetic, with a modern society that is completely dependent on amphetamines and antidepressants.

This kind of completely controlled, technologically monitored, test-tube born, and medicated society is brought into full technicolor in **George Lucas'** first Sci- Fi film **THX 1138**.

The Courtroom Revolution Handbook

But why all the emphasis on science fiction?

Enter NASA: because rockets don't put people into space, they propel bombs.

Science and Fiction together were used because they are the playground of the Devil.

They are both complete lies. The vast majority of sci-fi is set in technologically advanced totalitarian police states where some protagonist finds a way to either escape it or sabotage the dictator, thus changing or bringing down the system. This is the sci-fi alternate reality that the collective consciousness has been seeded with. Only in reality, there are no superheros that can bring down the system, so it's not actually possible to avoid the inevitable technocracy.

You see, they needed a way to dupe the people to pay for all the rocket research and secret underground complexes.

In December 1958 JPL was integrated into the newly established **National Aeronautics and Space Administration**. I will not go into any fake NASA, fake moon-landing or flat-earth stuff here but that phone call between **Nixon** and **Neil Armstrong** on the moon is absolutely ridiculous.

DEFEND AMERICAN FREEDOM

Media, Microwaves and Mind Control

Research into the use of microwave weapons and their use for mind control began in 1950s at the **Tavistock Institute**, one of Britain's leading psychiatric research establishments. The UK institute was researching into ways of mind controlling the British population without them knowing. The *monkey submission response*, whereby the dominant monkey caused submissive behaviour in the underlings, was the brain state of most interest to the British scientists. Having found this specific brain rhythm for docile submissive, zombie-like behaviour, it was then recorded and used as the template for the ELF signal beamed on UK microwave transmitters. Britain was the first discoverer of microwave technology, used for radar, in the 1940s and therefore had a commanding lead over everyone else in this field. From [MICROWAVE MIND CONTROL](#) by **Tim Rifat**

There is a direct correlation between every pandemic and the release of new radio-wave technologies all the way up to 5G and now Directed Energy Weapons are being used to systematically vaporize entire neighborhoods in California from satellite. Look it up yourself.

The CIA in conjunction with Tavistock began experimenting on soldiers in Korea with LSD and found that it did not enhance their performance but made them inert and uncontrollable. The film "**Men Who Stare at Goats**" is about that.

When the soldiers lost their connection with the fight, the CIA realized that this could neutralize a population's ambition. They didn't want all the affluent college kids graduating and competing for

The Courtroom Revolution Handbook

all the natural resources so they dumped acid on all the kids to brainwash them with godless theories about human evolution and idol worship, so they won't have any power or consume all the natural resources. See Stanley Kubrik's film of Arthur C. Clarke's **2001: A Space Odyssey**.

The "**LSD counter culture**" originated when **Sandoz A.G.**, a Swiss pharmaceutical house owned by **S.G. Warburg & Co.**, developed a new drug from lysergic acid, called LSD-25. **James Paul Warburg** (son of Paul Warburg who had written the *Federal Reserve Act* in 1910), financed a subsidiary of the Tavistock Institute in the United States called the Institute for Policy Studies, whose director, **Marcus Raskin**, was appointed to the National Security Council. James Paul Warburg set up a CIA program to experiment with LSD on **CIA** agents, some of whom later committed suicide. This program, **MK-Ultra**, supervised by **Dr. Gottlieb**, resulted in huge lawsuits against the United States Government by the families of the victims. SECRETS OF THE FEDERAL RESERVE By **Eustace Mullins**

The elite families owned all the media outlets so the Tavistock Institute used their agent: Ed Sullivan to popularize Rock & Roll with **Buddy Holly** and **Richie Valens** (who both died in the same plane crash), **Elvis**, and introducing "**The Beatles**"... (all the screaming girls on the show were paid actresses used to start the craze).

Around that time, they were running LSD experiments out of Harvard with **Timothy Leary** and **Ram Das**, and this kid named **Stanley Owsley** shows up at one. In fact, he never left. He got a job at JPL. Next thing you know, **Owsley** wants to be the "**Grand Dragon**" of Crowley's order and the

DEFEND AMERICAN FREEDOM

best acid manufacturer on the planet, competing with **Sandoz Labs** in Switzerland.

San Francisco was becoming a haven for the emerging bohemian culture and so the CIA started running LSD experiments out of the **University of San Jose**, just south of there and advertised it in the newspapers, with invitations for the general public to attend. The band members of the **Grateful Dead** saw the ads and showed up to get mega-dosed. Now the project had a house band and they started throwing private parties called “**acid tests**”, which became very popular with not only the kids but the media.

In order to get national attention, Owsley and the ex-beatniks, **Ken Kesey**, **Jack Kerouac**, now calling themselves **The Merry Pranksters**” recruited **Neil Cassidy** to drive them all on a psychedelic bus ride, across the country to visit **Timothy Leary** on the East Coast. Of course, it wouldn't be complete without dragging the **Grateful Dead** along for the ride. The propaganda that came out of these “experiments” were books like **On the Road**, **The Electric Kool-Aid Acid Test**, and **One Flew Over the Cuckoo's Nest**, which were considered **great works of literature** and made **readily available to all the kids**, in all the schools. This was also the inspiration behind films like **Easy Rider**.

Meanwhile in this posh village on the edge of Hollywood, **Laurel Canyon**, inhabited by the world's wealthiest families and the military brass

The Courtroom Revolution Handbook

has blossomed into a young American's bohemian paradise. Nearly every band featured at **Monterey Pop** came out of Laurel Canyon (Google bands that came out of Laurel Canyon). Oh yeah, and the Beach Boys and Manson.

Why were all these bands at Monterey Pop?

They were military brats and silver-spoon kids.

It just so happens that the son of Admiral James Morrison of the Ship that was involved in the false-flag "**Gulf of Tompkins Resolution**" that started the Vietnam war was none other than little Jimmy Morrison of "**The Doors**", named after Aldous Huxley's book **The Doors of Perception**.

Here's the thing about Evil. It has to follow certain laws of the universe too. So there's this "**Hidden in Plain Sight**" thing they do because they really can't be fully secret about what they do, they literally have to tell you what they're doing. **It's up to you** to see it for what it is *or* think it's all just make-believe.

Think about that scene in "**Tommy**" where his mom took him to the church where Eric Clapton was leading the congregation to worship Marilyn Monroe and that deaf, dumb, and blind kid, Tommy, knocked over the giant idol.

It's usually disguised as some kind of science fiction like **George Lucas' THX 1138**, but in *this case* they used their own kids to tell the world what they were doing. It was easy because their

DEFEND AMERICAN FREEDOM

kids heard about this stuff at their dinner tables. **They know what their parents were planning** and they started writing these "hip" songs like **"White Rabbit"**, albums like **"Deja Vu"** and band names like **"Big Brother and the Holding Company"** to drop clues.

The Royal Families owned all the record companies and the Institute used the talent coming out of these military brats to tell us what they were doing!!!

Then **they used their own children as human sacrifices**, "the 27 club", to traumatize the fans so they would fear openly discussing what's going on behind the scenes. There is actually a photo of **Jimi Hendrix, Jim Morrison, and Bruce Lee** in the same room together. They all mysteriously died at a terribly young age of 27. Oh, sorry, Bruce Lee died at 33.

So, imagine this: these scumbags are so evil, they used their own children as human sacrifices after they hypnotized the drugged out kids with their "Hip" psychedelic music. **Brian Jones, Jim Morrison, Jimi Hendrix, Bruce Lee, Janis Joplin, Pigpen;** the list goes on to this day. Just the other day they just killed **Kobe Bryant**, the Illuminati puppet, because he was closely tied with **Billary** and he was gonna snitch. Alright, alright, you're right. He was 41.

The *Beatles* were also part of the mass experimentation that contemporary society was being subjected to by the **CIA**, Britain's **MI6** and the **Tavistock Institute** utilizing

The Courtroom Revolution Handbook

extraordinarily powerful mind-altering
psychedelic/psychotropic drugs.

More than most of the other boys in the band, John Lennon became increasingly aware not only of the extent of corruption, co-opting and infiltration of the counterculture -- most CERTAINLY including the rock music scene -- by these same covert government intelligence elements.

Lennon was also aware than one of the "big guns" in the CIA/Tavistock/MI6 arsenal, **LSD**, had been having effect upon the population groups to which it had been funneled so extensively that was most unexpected on the part of the social manipulators--and to a large extent the effect was rather positive and beneficial.

Shortly before Lennon's death at the hands of what beyond the faintest glimmer of a shadow a doubt was a mind-controlled, "*Manchurian Candidate*" type assassin deployed by Tavistock/CIA/MI6, **Mark Chapman** to terminate a "loose cannon", Lennon had the audacity to massively and blatantly "out" the aforementioned consortium in a Playboy interview -- in which he made note of LSD's completely unforeseen liberating impact upon human society and civilization--pretty much thumbing his nose at the whole bunch and their whole trip; AND indicating as well that he was aware of the extent to which he and other pop musicians had been set up--to be used as dupes in massive social manipulation schemes. - **John Quinn**

In the "**Last Testament of George Harrison**" we discover that **Paul McCartney** died in a car crash in fall 1966 after an argument with John. An MI5

agent showed up at the studio and told the rest of the band that they couldn't tell the public or it would lead to mass suicides within the fan base.

DEFEND AMERICAN FREEDOM

Instead, they were going to replace Paul with the winner of the PM look-alike contest, **Billy Shears**, and the band would now be used as puppets for the Institute's agenda; which was, promote the shit out of psychedelic drug use. This is where the 400 secret references to **"Paul is dead"** on all their subsequent albums come from.

So the first thing fake Paul, or as the remaining Beatles would call him, **"Faul"** says in interviews, (with his fake mustache dangling, barely glued on) is that **he took LSD** and thinks that kids should be able to **choose to take it if they want to**.

Tada! **"The British Invasion"**. **"The Stones"**. **"The Moody Blues"**. **"The Animals"**, **"The Who"**. "The this", "the that", "the other thing". The "British Invasion" was actually a new kind of invasion engineered by Tavistock, only this war was not fought with guns and bombs. It was totally a **"Psychological War"** and the "British Invasion" was the advertisement agency for the national drug distribution ring run by the CIA and **Stanley "Bear" Owsley**. It all makes sense now why Owsley became the band manager for the **Grateful Dead**. The endless stream of concerts were the mechanism for distributing the drugs to the kids.

You see it was all those counter culture books and poetry endorsed by the universities and the media, and **"Monterey Pop"** movie that made it attractive to the Kids! The Monterey Pop Motion Picture blew the doors off of America and seduced all the kids with the **"Summer of love"**! **Janis!**

The Courtroom Revolution Handbook

Jimi! Grateful Dead! The Airplane! CSNY! The Mommas and the Poppas! The Doors! Santana! Owsley! Purple Haze! Orange Sunshine! White Lightning!

After the Monterey Pop music festival in the summer 1967, the world could see that the **“beatniks”** of the 50’s had been morphed into the **“Merry Pranksters”** putting on the **“Acid Tests”** and then labeled by the media as **“Dirty Hippys”**. This drug-induced revolution synchronized with the **“Civil Rights Movement”** and the rising popularity of Marxism in disguise as socialism were the fuel for new concepts engineered by Tavistock: **feminism! Socialism! Atheism! Burn your bras! Smoke Dope! Do all the drugs! Free love! Fuck anyone you like! Divorce the men! Steal their children! Work for pimp-daddy Uncle Scam! He'll take care of you with the welfare! Just breed him some more cannon fodder! C'mon you little bitches! You know you want it...**

The counterculture movement and everything **“left-wing”** such as the **“Black Panthers”**, **“Students for a Democratic Society”** and a plethora of new **“isms”** cast into the collective subconscious became the new collective belief system, **the limbo state** that is still to this day, hosting **the spirit of the Whore of Babalon**.

They had, over the course of many generations used their full force of media to completely **deconstruct the frameworks of a civilized society** from the minds of the American People and **install a new framework: the spirit of the whore of**

DEFEND AMERICAN FREEDOM

Babalon through thousands of indoctrinated starlet idols from **Jayne Mansfield** to **Marilyn Monroe** to **Madonna** to **Miley Sirus** to **Lady Gaga**.

The Age of Aquarius and the New Age Movement

The modern “**Luciferian One World Government**” plot to enslave the whole world under the banner of socialism is attacking the world by using physical force (Communism) and by subliminal warfare coming in the name of the **New Age Movement**. This is nothing less than a mask for the super-rich who are really the ruling class and those who control the huge secret Society of the Illuminati.

The most dangerous threat for Freedom and Christianity from these modern Luciferians has saturated American society in the guise of a **God-less spiritualism** that hides behind the slogans of the radical left counter-culture such as **WORLD PEACE** and **UNIVERSAL LOVE**.

Why? Because if you don't recognize yourself as belonging to God, you belong to the devil. That's all there is to it. **There is no in-between.**

Like the 18th century Illuminists of the French Revolution destroyed France, the “**New Age Movement**” is destroying Christianity by

The Courtroom Revolution Handbook

introducing a homogenized worldwide social transformation. Among this **“New Age Movement”** there are teachers and office workers, famous scientists, government officials and lawmakers, artists and millionaires, taxi drivers and celebrities, leaders in medicine, education, law, and psychology, who are trying to condition the Christian world into accepting this modern version of Nimrod's **“One World Government”**.

The **Aquarian Conspiracy** is a different kind of Revolution, with different revolutionaries. It looks to the turnout IN CONSCIOUSNESS OF A CRITICAL NUMBER OF INDIVIDUALS, ENOUGH TO BRING A RENEWAL OF SOCIETY."

The Aquarian Conspiracy- Marilyn Ferguson

As stated before, when Adam Weishaupt and the House of Rothschild formed their New Order for the Ages, or The Illuminati, they infiltrated the high levels of the nations in Europe through Freemasonry. Through this they filled the top positions in the World Governments so they could legislate bills that would connect the countries according to their plans. Using social issues and humanitarian causes, the Illuminati of today have in their ranks untold millions promoting this same Luciferian scheme, and many in it are completely unawares. Millions upon millions of sincere people think they are doing the world a great service by joining this international Godless religion that's coming under a name today called **"The New Age Movement."**

DEFEND AMERICAN FREEDOM

Constance Cumbey, a Christian lawyer, got wind of this movement and spent painstaking months gathering New Age books and magazines, so she could expose it for what it really is. She states in her book, **The Hidden Dangers of the Rainbow**, **The New Age Movement And Our Coming Age Of Barbarism**, that the New Age Movement uses secret code names and symbols today, as we showed you earlier. One of the most important symbols in this modern day Luciferian Conspiracy is, however, **the rainbow**. Also called the Antahkarama, it is used in the occult as an **hypnotic device**. This modern movement driven by the Illuminati propagandists calls the rainbow the **"International Sign of Peace."** But to the higher orders of this movement, it represents in symbolic language that they are building a **rainbow bridge** between man and the **Great Universal Mind**. This Great Universal Mind from the atheist/pagan perspective is essentially the **Quantum Field** behind the energy given to Lord of this Worldly plane, Lucifer, also known in the vedic science as the **"Bramhajyoti"** or **"The Light"** which is the **"Spiritual"** destination of the Atheists. The **"collective"** goal of the **"New Age Atheist"** is to merge into the energy of **"The Universe"** losing their individual identity so they can become God, without acknowledging the individuality, divine intelligence and presence of God Himself. **"New Agers"** all cringe at the mere mention of the words **"religion"**, **"hierarchy"**, **"Jesus"**, **"God"**, **"patriarchy"** and even **"money"**. They basically all

The Courtroom Revolution Handbook

spout the same standardized New Age Rhetoric and tend to display this rainbow symbol and “Coexist” stickers on their cars and businesses.

After carefully investigating the publishing houses and organizations that are today promoting this modern day version of Adam Weishaupt's World Revolution, Attorney **Constance Chumbey** has compiled documentive proof that in addition to its followers, the New Age Movement has now a network of **more than 10,000 different organizations** they are working through, just in the United States and Canada.

The solution to the problem of a world in which the elite would not want to live is **mass genocide**. The [Club of Rome](#) was ordered to produce a blueprint that would **wipe out 500 million of excess population**. The plan was called [Global 2000](#), and it *was activated by spreading the AIDS virus throughout Africa and Brazil*. Global 2000 was officially accepted as U.S. policy by President **James Carter**.

The conference members agreed that the,

"low-class element of society must be brought under total control, trained and assigned to duties at an early age, which can be accomplished by the quality of education, which must be the poorest of the poor. The lower-classes must be trained to accept their position, long before they have an opportunity to query it."

"Technically, children must be 'orphaned' in day care

DEFEND AMERICAN FREEDOM

centers under government control. With such an initial handicap, the lower-classes will have little hope of upward mobility away from their assigned positions in life. The form of slavery we have in mind is essential for good social order, peace, and tranquility.

"We have the resources to attack the vitality, options, and mobility of the individuals in society by knowing through our social scientist, understanding and manipulating and attacking their sources of social energy (income), and therefore, their physical, mental and emotional strengths and weaknesses. The general public refuses to improve its own mentality. It has become a herd of proliferating barbarians, and a blight on the face of the earth.

"By measuring the economic habits by which the sheep try to run from their problems and escape from reality via the medium of 'entertainment', it is absolutely possible, applying *Operation Research* methods, to predict the probable combination shocks (created events) which are necessary to bring about complete control and subjugation of the population by subverting the economy. The strategy includes the use of amplifiers (advertising), and when we speak on television in the manner that a ten year old can relate to, then because of the suggestions made, that person will purchase that production impulse, the next time he comes across it in a store.

"The balance of power will provide the stability that the world of the 21st century is likely to achieve, rent as it will be, by passionate tribalism and by such seemingly insoluble issues like that posed by mass migration from the South to the North, and from farm to city. There may be mass transfers of population, such as those between Greece and Turkey in the aftermath of the First World War; really mass murders. It will be a time of troubles, in need of a unifier; an Alexander or Mohammed.

The Courtroom Revolution Handbook

"A great change that will come about as a result of emerging conflicts between peoples who live side by side — and which will, by their intensity, take primacy over their other conflicts — is that political rivalry will be within regions, rather than between them. This will bring about a turning back from global politics. After a decade in which the U.S. and the Soviet Union dueled across oceans, the powers will focus on protecting themselves against forces on their frontiers — or within them.

"The American people do not know economic science and care little about it, hence, they are always ripe for war. They cannot avoid war, notwithstanding their religious morality, nor can they find in religion the solution to their earthly problems. They are knocked out of shape by economic experts who cause Shockwaves that wreck budgets and buying habits. The American public is yet to realize that we control their buying habits."

DEFEND AMERICAN FREEDOM

MK-ULTRA, Mind Control, and Human Trafficking

“And if you go chasing rabbits,
and you know you’re going to fall,
tell ‘em a hookah smoking caterpillar
has given you the call.”

White Rabbit - Jefferson Airplane.

Millions of unfortunate women and children are kidnapped, trafficked, sold, and programmed to serve as sex slaves for pedophile movie producers, elites, politicians and heads of state. This is a core practice of Lucifer’s blood-drinking vampire cult that is currently being investigated as “**Pizzagate**” because “**Pizza**” and “**Hot Dogs**” are code words used by elite pedophiles to place orders for little girls and boys to molest. This is what Kobe Bryant was going to snitch Billary out for.

After a child has developed a *multiple personality* following induced trauma, the programmer assigns an access code to each alter personality, which is then programmed for a specific task, e.g. to be a sex slave, assassin or drug courier. A network of **microchip implants** is often embedded in the victim. Many of these are **powerful microprocessors** composed of **synthetic protein**, rendering them undetectable by means of X-rays. Programs are reinforced by means of “**triggers**” inserted into television programs. A major trauma-based mind-control program is known as

The Courtroom Revolution Handbook

Monarch; Monarch programmed multiples are often used as assassins or to perform tasks for the Illuminati.

In order to condition the public into supporting stricter gun-control measures, mind-controlled children have been programmed to shoot classmates. One of the Columbine High-School shooters, **Eric Harris**, used to live at Plattsburg Air Force Base, in New York State, with his Air force officer father. At the age of ten, Harris allegedly used to complain to his friends that he was being drugged at the base.

They had used the propaganda and the institutionalization of everyone to create a fictional smoke-screen that lets kidnapped children slip through the cracks and be sold to rich **adrenachrome** junkies to be tortured, raped, and their blood consumed. The **adrenachrome** molecule is produced in from the adrenal glands of tortured children. It is rumored to give great power and longevity to its users and the **adrenachrome** molecule just happens to be **shaped like a rabbit**. Hence the references to the **White Rabbit** and the phrase **“Follow the White Rabbit”** from the 1999 film **“The Matrix”**. It is very shocking to the conscience but the Templars are in fact a Luciferian, human trafficking vampire cult. Don't believe me? Look it up.

The 1982 movie by Jim Henson, **“The Dark Crystal”** and the 2019 Netflix series **“Dark Crystal: Age of Resistance”** revolves around

DEFEND AMERICAN FREEDOM

extracting the life essence from the humble and naive Gelflings by the Skeksis overlords, distilling it into an immortality elixir and rejuvenating themselves by drinking it during orgies of indulgence.

In the Marvel television series, **Daredevil**, the hero focuses on rescuing victims of human trafficking by his nemesis.

For the benefit of any skeptic, or reader who has been brainwashed into believing that this Luciferian (Illuminati-Communist-Socialistic) Conspiracy does not exist today, let us look into a warning from Winston Churchill that he wrote February 8, 1920, in the Illustrated Sunday Herald:

"From the days of SPARTICUS (Adam Weishaupt) to Karl Marx, to those of Trotsky, Bela-Kuhn, Rose Luxembourg, and Emma Goldman, this world-wide conspiracy has been STEADILY growing. This conspiracy has played A DEFINITELY RECOGNIZABLE ROLE IN THE TRAGEDY OF THE FRENCH REVOLUTION. It has been the mainspring of EVERY SUBVERSIVE MOVEMENT DURING THE 19TH CENTURY; and now at last, this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads, and have become practically the undisputed masters of that enormous empire."
Quoted from The Missing Dimension in World Affairs, Goy, p. 92.

The Courtroom Revolution Handbook

Revelation 16:13,14 warns about the three-fold union of the **Dragon, the Beast, and the False Prophet** that will unite the whole world whose names are not written in the Lamb's book of Life, to war against Christ and His people. The first power that will go out into the world is symbolized as the Dragon, **Revelation 16:13**. It is also symbolized as the **Beast that Ascendeth out of the Bottomless Pit**.

These Three symbols both represent **Satan**, his **Nation** and the **Pope** all driving the (Illuminati-Communism-Socialistic) Conspiracy.

I couldn't possibly document how deep the "Deep State" goes because rumor has it that the J. Paul Getty Museum in L.A. is a 7 story deep underground luxury fetish pedophilia indulgence retreat fortress for Global Elites. but what I can tell you is that the Illuminati, with the help of the Tavistock Institute's network of agencies, is responsible for every war, political movement, and secret operation as well as the assassinations of all proponents of progressive leadership in the United States (JFK, Malcolm X, MLK & RFK were all assassinated within a 5 year period).

The stark reality is that due to lack of information and exposure to engineered propaganda, **we are all to some extent brainwashed** because these fuckers are psycho and we just don't know what kind of insane secret weird shit they're doing in their underground cities. We do know that the majority of the population of the world is under

DEFEND AMERICAN FREEDOM

the influence of Illuminati-controlled social engineering projects, employ the media and Artificial Intelligence programs to **implant belief structures** which serve the interests of the military / industrial complex and **manipulate human behaviour** at will. It is estimated that there are between two and ten million directly engineered mind-controlled victims in the United States.

The Tavistock Institute published a report in 1974 which revealed that **environmentalist, New Age and religious organizations** are, in actuality, all part of a unified, planned **social engineering conspiracy**.

Today the Tavistock Institute operates a \$6 Billion a year network of Foundations in the U.S., all of it **funded by U.S. taxpayers' money**. Ten major institutions are under its direct control, with 400 subsidiaries, and 3000 other study groups and think tanks which originate many types of programs to **increase the control of the “New World Order” over the American People**.

When you add it all up, you can see that all the political propaganda says “the system is the problem” and that it needs to be deconstructed. **The truth is that the structure of the American System, with it’s checks and balances is the only nation in the world that is actually “Under God”**. The Radical Left propaganda attacking the system is only put in place to **divert the focus**

The Courtroom Revolution Handbook

away from the **corrupt vampire cult** that has infiltrated the system and have hijacked it to implement socialist and Godless policies like **late term abortion, kidnapping, human trafficking, piracy, sodomy, and pedophilia.**

Because of this American travesty, nearly all of the minds of the American population are poisoned with communist / pagan propaganda and are **hosting the spirit of the Whore of Babylon.**

But that was only the beginning of their plot. That was only to glamorize the occult, poison the collective subconscious with **idolatry and alien worship**, and get everyone to dabble in magick. Their real intention is to introduce a **completely alternate reality** where there is no God and the **human race is bio-engineered** to be **mutated carcasses** that are designed to be the **hosts of extraterrestrial demons.** This is not science fiction. **This is real shit going on in the world right now!!!** We are living in the 21st Century and you better wake up quick!

They brought out one of the shape-shifting aliens a human that turned into a serpent right on the T.V. show America's Got Talent. Right in your face. Look it up on youtube. If you read the Book of Revelation, it's described as the **devil coming up out of the pit of Hell and being loosed on the world for a short time.**

It is so incredibly evil but if you see how they have been using every single science-fiction film,

DEFEND AMERICAN FREEDOM

especially the Alien movies and A.I. films, and all the video games to literally **twist the subconscious minds of the participants into manipulating the quantum field** to manifest their hellish, alternate reality into our world.

Side note: It just so happens that the Swiss artist **H.R. Giger** who designed the disgusting Alien monster and all the sets for the Alien movies, was a member of the **Swiss Lodge of Crowley's order**. Before that, he designed album covers for **Emerson Lake and Palmer**, **Debbie Harry**, and many other puppet rock bands. They get into the minds of the youth and make evil look cool.

The evil cult's intentions are to use all the people who've been seeded with the hellish alien imprint, in conjunction with the **CERN super-collider** that straddles the border of Switzerland (the Templar nation) and France, to to **tear a hole in the fabric of time and space** and invite the beast to come through the portal into this world to begin the "**Devil's Reign**". The CERN logo is comprised of three 6's. There is a lot of propaganda put out by the people running CERN expressing, in plain sight, their occult purposes. Look it up if you don't believe me.

And now I'm going to share with you the Secret Covenant of the the **Jesuits**, the **High Freemasons** and **High Knights of Columbus** and those that have pledged a **Blood Oath** of allegiance to the **Luciferian Secret Societies**.

The Secret Covenant:

An illusion that will be so large, so vast it will escape their perception. Those who will see it will be thought of as insane. We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive. Our goal will be to accomplish one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur. We will always stand above the relative field of their experience for we know the secrets of the absolute. We will work together always and will remain Bound by Blood and secrecy. Death will come to he who speaks. We will keep their lifespan short and their minds weak while pretending to do the opposite. We will use our know of Science and Technology in subtle ways so they will never see what is happening. We will you soft metals aging accelerators and sedatives in food and water also in the air. They will be blanketed by poison everywhere they turn. The soft metal will cause them to lose their minds. We will promise to find a cure from many of our

DEFEND AMERICAN FREEDOM

friends yet we will feed them more poison. The poisons will be absorbed through their skin and mouths and they will destroy their minds and reproductive systems. From all this their children will be born dead and we will conceal this information. The poisons will be hidden in everything that surrounds them and what they drink, eat, breath, and wear. We must be ingenious and dispensing the poisons for they can see far. We must teach them that the poisons are good with fun images and musical tones. Those they look up to will help. We will enlist them to push our poisons. They will see our products being used in films and will grow accustomed to them and will never know their true effect. When they give birth will injecting poison into their blood of their children and convince them it's for their help. We will start early on when their minds are young and we will target their children and what the children love most, sweet things. When their teeth decay we will fill them with metals and that will kill their mind and steal their future. When your ability to learn has been affected we will create medicine that will make them even sicker and cause other diseases for which we will create even more medicine. We

The Courtroom Revolution Handbook

will render them docile and weak before us by our power. They will grow depressed, slow, and obese and when they come to us for help we will give them more poison. We will focus their attention towards money and material goods so that they may never connect with their inner self. We will distract them with fornication external pleasures and games so they may never be one with the Oneness of it all. Their minds will belong to us and they will do as we say. If they refused we shall find a ways to implement mind-altering technology into their lives. We will use fear as our weapon. We will establish their government and establish opposites within. We will own both sides. We will always hide our objective but carry out our plan. They will perform the labor for us and we shall prosper from their toil. Our families will never mix with theirs are blood must be pure always for it is the way. We will make them kill each other when it suits us. We will keep them separated from the Oneness by dogma and religion. We will control all aspects of their lives and then tell them what to think and how. We will guide them kindly and gently letting them think that they are guiding themselves. We will foment anonymously

DEFEND AMERICAN FREEDOM

between them through our factions. When a light shall shine among them we shall extinguish it with by ridicule or death, whatever suites us best. We will make them rip each other's Hearts apart and kill their own children. We will accomplish this by using hate as our Ally anger as our friend. The hate will bind them totally and never shall they see that from their conflicts we will emerge as the rulers. They will be busy killing each other. They will bathe in their own blood and kill her neighbors for as long as we see fit. We will benefit greatly from this for they will not see us for they cannot see us. We will continue to prosper from their Wars and their deaths. We shall repeat it over and over until our ultimate goal is accomplished. We will continue to make them live in fear and anger through images and sound. We will use all the tools we have to accomplish this. The tools will be provided by their labor. We will make them hate themselves and their neighbors. We will always hide the Divine truth from them that we are all one. This they must never know. They must never know that the color is an illusion. They must always think they are not equal. Drop by drop drop by drop we will

The Courtroom Revolution Handbook

advance in our goal. We will take over their land, resources, and wealth to exercise total control over them. We will deceive them into accepting laws that will steal a little Freedom that they will have. We will establish a money system that will imprison them forever. Keeping them and their children in debt. When they shall band together we shall accuse them of crimes and present different story in the world for we shall own all the media. For we will use our media to control the flow of information and a sentiment in our favor. When they shall rise up against us will crush them like insects for they are less than that. They will be helpless to do anything for they will have no weapons. We will recruit some of their own to carry out our plans and will promise them eternal life for eternal life they will never have for they are not one of us. The recruits will be called initiates and they will be indoctrinated to believe false Rites of Passage to higher Realms. The members of these groups will think they are they are one with us never knowing the truth. They must never know the truth for they will turn against us. For their work they will never be rewarded with Earthly things and great titles. But never will

DEFEND AMERICAN FREEDOM

they become immortal and join us. Never will they receive the light and travel the Stars. They will never reach the higher realms for the killing of their own kind will prevent the passage of the realm of Enlightenment. This they will never know. The truth will be hidden in their face so close that they will not be able to focus on until it's too late. Oh yes so Grand the Illusion of Freedom will be that they will never know how they are our slaves. When all is in place the reality we shall have created for them will own them. The reality will be their prison. They will live in self-delusion. When our goal is accomplished a new era of dominion will begin. Their minds will be bound by their beliefs, the beliefs we have establish since the time immemorial. But if they ever find out that they are out that they are our equal. We shall perish them. This they must never know. If they ever find out that together they can Vanquish us, they will take action. They must never ever find out what we have done for if they do they we shall have no place to run for it is easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter. This is the

The Courtroom Revolution Handbook

Secret Covenant by which we shall live the rest of our present and future lives. For this reality shall transcend many generations and life spans. This Covenant is sealed by blood, our blood. We the ones who from Heaven to Earth came, The Fallen Angels. This Covenant must never ever be known to exist it must never ever be written or spoken of for it is the Consciousness that will spawn will release the fury of the Prime Creator upon us we shall be cast to The Depths from whence we came and remain there until the end of time of infinity.

Their infiltration and control of the governments and institutions of the world is what's currently referred to as the "Shadow Government" controlling the "Deep State".

The position of the "Luciferian Elite" is to breed an endless supply of peasants, to be their food, and that even if the peasants can afford a degree, they are still considered "chattel" be exploited, taxed and billed to pay back student loans and corporate debt.

Think about George Orwell book, "Animal Farm". The people of the world are literally being bred and farmed as batteries, literally powering the machines in "The Matrix" and their children are being "Harvested" for the manufacture of Adrenochrome and the bodies are disposed of

DEFEND AMERICAN FREEDOM

directly into the slaughterhouses and added to the ground beef in fast-food burgers.

Remember the movie **“Soylent Green”** about a new nutritious food designed to end hunger in the world and where by the end of the film, the protagonist found out they were recycling bodies into the food and how the population thought he was crazy when he cried out **“Soylent green is people!”**

Well, call me crazy but **“Happy Meals are People!!!!”**

If you don't believe me, just ask **Rabbi Louis Finkelstein**, Talmud scholar, an expert in Jewish law, and a leader of the Jewish Theological Seminary of America and Conservative Judaism 'Cause he's the one who let the cat out of the bag (in a very proud, arrogant and condescending mood, at that). He says:

“We steal 100.000-300.000 children a year just within this country. We drain the blood and mix it up with the passover blood and then we drive the bodies to the slaughterhouses that we own, there we grind up all the bodies, into sausage and hamburgers... McDonald's is one of our favorite outlets...”

Now, here's the plot twist:

John F. Kennedy knew a little bit about them and tried to stop them. That's why he was assassinated. Duh. That's a logical conclusion that

The Courtroom Revolution Handbook

has plenty of corroborating evidence to back it.

After he was killed, the good Christian people around him got together and devised a secret plan to put together a force of informed **Patriots** and **Allies** and wait for the technology to get advanced enough that they could **follow the digital paper trails** back to the Illuminati leaders, their indoctrinated puppets, and all the of blood-drinking vampire pedophiles that promote Lucifer's agenda. That's where we are as of the publishing date of this book.

You see, it just so happens that the surveillance technology works on them too, and all of the data has been collected. **The Allies know who they are**, what they have done and where they are hiding. Nobody thought it was possible because no science fiction story ever suggested that the electronic surveillance systems would ever be used on the people who had control of it. But that's exactly what has happened. The world is only so big and they have no place to run. **They are all essentially sitting ducks.**

Part of the plan was to gradually pull together an **international allied force** that would use the data collected to **pinpoint in** on every single one of them, **arrest them**, and **charge them with Crimes Against Humanity**. This is the real meaning behind the phrase **"Drain the Swamp"**.

The **"Plandemic"**, with the wimpy **"China Virus"**, was not about preventing the spread. It was about

DEFEND AMERICAN FREEDOM

getting the world population to join the New World Order cult by commanding voluntary participation in the occult ritual ceremonial initiation practices of:

1. Ritual Mask-Wearing: The silence of the Lambs
2. Ritual Hand Washing: Renouncing God & Christ
3. Ritual Social Distancing: Disconnecting from Fellowship
4. Ritual Self-Imprisonment: Cutting one's self off from society

There is a reason that the wimpy China Virus was released. It was also a good cover for the rescuing of the children from the underground human factory farms, bombing all the underground bunkers, and arresting the ring-leaders of the Vampire Cult. There is a reason that so many CEO's resigned when it happened. There was a reason that the fake Royal Family has used the **"plandemic"** to vacate Buckingham Palace and go into hiding. There is a reason that the pope has disappeared. There is a reason the frightened puppets tried to Impeach the President and failed. There is a reason that they pagans and atheists are being rallied to create diversionary riots from **"civil unrest"**. There is a reason that the Sex Traffickers are being hunted down and prosecuted. There is a reason you are reading this book. **God is keeping His promises.**

With this preface, the American Citizen can now understand why every agent(Smith) of the Templar/Tavistock institutions is waging a

The Courtroom Revolution Handbook

psychological and spiritual war on the people of America and why **we all need to do our part in weeding out corruption at the local level by leveraging the Law against them.**

You see, regardless of what the Luciferians would have you believe, **God is real.** He is **all-powerful.** He is **all-knowing.** He is in the heart of *every* molecule. He is in the heart of *every* creature. **He knows your heart.** He knows *all* of our hearts. He is a **free-will God** and He is giving *everyone* a chance to either **embrace Him or be the property of the Devil.**

America is a Christian Nation and the money says “In God We Trust” for a reason. **God has not lost control of this corner of the universe, even the tiny little corner of the universe that you are in. So don't worry, God's got this.** This book is simply the trumpets blowing for *you* to take up the call and do *your part* in **DEFENDING AMERICAN FREEDOM!**

In the following chapters of **DEFEND AMERICAN FREEDOM: The Courtroom Revolution Handbook**, I'm going to share with you some of the most important details about the **national and international laws** that have been leveraged by the Patriots and the Allies to take the world back from the elite Luciferian families and cults that have stolen it away from us, and how **you can use those very same laws** to pinpoint in on corrupt public servants in your district and **bring them to justice.**

DEFEND AMERICAN FREEDOM

Disclaimer:

I did not do all the research in this preface personally or write all of the words herein. Rather, since the matter is of dire importance for the salvation of our souls and the defense of not only our great nation but the whole world, I took the liberty of gathering information from those that did, and filling in the blanks, so that you could have a much clearer picture of who the enemy of mankind is and where he resides.

I offer my humblest gratitude and thanks for all the authors who sacrificed so much of their time and energy to gather their pieces. I expect that they did so selflessly, so that the information would benefit mankind. I tried to give credit for the names of the authors I could find. I apologize if some are not mentioned and if sharing their discoveries offends. If you find any of your words within this preface and would like me to add your name to the credits, please contact the publishers with the reference and we will gladly add your name to the credits. Otherwise I claim **“fair use”** for **“educational purposes”** and that this information can be distributed under **“creative commons”** licensing without alteration, of course.

I pray that this preface, a collection of copied and pasted snippets of articles, reports, and exposes, organized chronologically, and narrated by me, helps you to see how the entire Illuminati, who ultimately worship Satan in their inner circle, is spread out across the whole world, through their interlocking cells of secret mystical societies, institutions, and agencies.

The importance of facts in matters of law

Where the contents of this book are derived from **knowledge of the law, documentation of fact, and practical application** in the field with real cops, real judges and real courtrooms, and where we only describe situations that we've personally had success with, the critics can offer no facts or case-law that truly disproves the political and commercial immunity of the private Citizen from public exploitation.

Think about it: what kind of person would actually have a vested interest in disqualifying the sovereignty of the private Citizen or proving his non-existence anyway? Maybe a demoniac Luciferian exploitationist in disguise as a public servant who took an oath in God's name to uphold the Constitution.

The Constitution is the charter and guidelines for government in America and if you think that municipal corporations can legitimately kidnap, traffic, and warehouse private Citizens, you might as well believe in the tooth fairy.

Every public servant must take an oath to uphold the Constitution and if you think government employees can lawfully enslave a private Citizen by forcing him into contract or commerce, then you might as well believe in the Wizard of Oz.

DEFEND AMERICAN FREEDOM

This book is the Red Pill

Although they would like you to believe it, this is *not* “science-fiction” or “conspiracy theory”. **This is very, very real** and it’s designed to affect every single person in the entire world and force them to either join their God-less NWO cult with the alternate ending or take a stand with your brothers and sisters in service to God.

You have free will. You have a choice and **your time has come.** Please, continue reading and allow me to **free your mind** from the trappings of Atheism, doubt, and public-sector mind control programming and give you the knowledge of the law that you need to **DEFEND AMERICAN FREEDOM!**

Yours in the service of the One Supreme Deity!

~The Author

P.A.C.-Man (a Private American Citizen, Man!)

DEFEND AMERICAN FREEDOM

1. "The Red Pill"

Remember in "**The Matrix**", when Morpheus offered Neo a choice between two pills; a blue pill and a red pill. Morpheus explained that "**the blue pill**" would allow Neo to return to life as usual without there ever being any sign of anything wrong, and that "**the red pill**" would reveal that humans are farmed by machines while plugged into a hologram, designed to distract them from reality, so their electrical life force energy would be tapped to power the machines.

The Courtroom Revolution Handbook

Morpheus knew that Neo was ready to receive it calmly, but he had to explain that if Neo decided to take "the red pill" he would be useless to "the machines" and be unplugged forever.

Well, **this book is essentially "the red pill"**. Once you begin reading this book, you will never look at the world the same way again.

Human beings are generally good-hearted but are factually imperfect and prone to error and selfishness. It's built in to human nature to stumble upon our vices, which keeps us from being burdensome to others and helps us learn from our mistakes.

When we are able to see how our actions affect others, we become self conscious and when we improve the lives of others, we become benevolent. Those who are benevolent are given access to a greater range of freedom within the scope of the greater service they do.

Advancement of civilization is a symptom of life and actively serving the "Cosmic Divine Order" A.K.A. "God's Will" is man's ultimate destiny. Unfortunately most pretentious soul-merchant cults suggest that God is a fiction and that if He does exist, He has no power in this world. That's the oldest mind control trick in the book: the propaganda that God has no power in this world and that He's not actually in control of everything and everyone. The only thing He does not actually control is the free will of each human.

DEFEND AMERICAN FREEDOM

Our founding fathers had a lot of time on their hands to learn stuff like science, law, and commerce so they read a lot of books and learned from a lot of people. They were in social clubs and **"fraternal orders"** where they shared secret knowledge about invoking spirits and becoming powerful and influential. By comparison to today's Americans, **our founding fathers were practically Orthodox Christians.** Some may have had deviant behavior, or "God forbid", theories of evolution. Some may have traded occult business or mind control tricks in fancy clubhouses, but nothing like the way modern occultists use the **football stadiums** to harness the energy of the attendees to do **massive mind control rituals.** Like all human beings, they were determinedly trying to escape the debts associated with their rates of consumption, but still thinking for the good of mankind.

"In God We Trust" is on the money for a reason.

It was written into the nation's founding document, **"The Declaration of Independence"** that **our life and freedom originates in, and is granted by our Creator, God.** And even though the **"Federal Reserve"** was controlled by the Illuminati, they even put it on the money to keep us from being completely distracted by it's power; to remind us who's in really control and where we should really be putting our trust.

So let's give credit where credit is due, put our trust back in our Creator -

God!

Give thanks and praises to the Most High!

After all, He gives us the blessing of a birthright, an inheritance if you will, to a **will that's free**, a Constitution that's designed to protect the people from government abuse, intelligence to realize it and a nation of good brothers and sisters who aren't afraid to use it!

Did you know that policemen have no lawful authority whatsoever over Private American Civilians?

It's true! Contrary to communist propaganda, cops, judges and other public servants are just employees of businesses that have no lawful authority over your, your body, your estate or your livelihood. The power is inherently yours and the only reason you believe otherwise and give up your power is because propaganda was pushed on you from every angle as your belief system was being established. Privately educated people simply don't think the same way.

This Courtroom Revolution Handbook is for those of us who are **fed up** with the way predatory vampires infiltrate the government, **misrepresent** the laws of this country and abuse the power of the American legal system and poison the minds of our countrymen and their families with communist, pagan and luciferian propaganda . It is also for anyone who really believes in the "**American Dream**" and wants to preserve our way

DEFEND AMERICAN FREEDOM

of life for countless generations to come.

The cat is out of the bag!

This simple guide to **knowledge of the law** and **personal sovereignty** is your ticket to liberating your mind from the trappings of the institutional conspiracy for the deprivation of the rights and exploitation of every Soil-born American Civilian.

The Courtroom Revolution Handbook

The Courtroom Revolution Handbook reveals the truth about:

- Personal Sovereignty and Servitude
- The foreign UNITED STATES corporation
- The American Nation and its Constitution
- The Meaning of American National status
- 14th Amendment D.C. immigrant, freed slave and corporation citizenship
- Personhood of human and corporation entities
- The meaning of the ALL CAPS name on the birth certificate and other commercial documents
- Having “ninja babies”
- The real value and meaning of money
- Right to travel without license or restriction
- Limits of corporation law enforcement
- Which laws protect you from corrupt public servants and foreign agents
- How to record evidence of government misconduct and bring them to justice
- What to do if you are arrested
- How to build a legal strategy
- How to bring your evidenciary record to court and get your cases thrown out!

Welcome to the American Courtroom

DEFEND AMERICAN FREEDOM

Revolution!

The world has never been in more dire need of a renewed patriotism. **Now is indeed the time for all good men and women to come to the aid of their country.** Our forefathers expect nothing less of us and we must use the Constitution and the Bill of Rights for what they were designed to do: **govern our country from within the private sector.**

So much has happened since I started writing the earliest version of this book to get the word out on The Dead's "Wave That Flag" tour in 2004.

I was really surprised when kids came up to me in the parking lots with stories of how they had been **robbed by the cops** on the way to the shows and how they were so glad that I was out there with this information. It was truly inspirational. What was even better was that by the end of the tour I was getting feedback from kids about occasions where using the included paperwork actually caused the cops to **release them and give their money and their belongings back.**

We printed the second version of this book, stapling them together by hand, in the beginning of 2007, and kept them flowing in the 2008 tour. We felt the 3rd edition was good enough to send to the presses and was offered a book deal from the first publisher I gave it to, but they wanted to change it.

The Courtroom Revolution Handbook

Being a perfectionist, I turned it down because I did not want to compromise for the convenience and prestige of having a publishing house do it. I decided not to let that deal go down because I wanted to stay in control of the content and integrate it with **Training Courses**, an online **Reference Library** and **Paperwork Templates**. That worked out really well because now, the police, lawyers and judges at every level of government are much more careful when dealing with pro-se litigants. In fact, **most accused parties that use these specific formulas get their cases dropped at some stage of the proceedings.**

With illustrations and more case studies we had published the most complete and popular test run version of this book in 2012. We saw **over 6,000 copies** distributed across **50 states** with a peppering of copies in various countries of the world over the following **10 years** and it changed the way government agents business.

The book literally **turned the American legal system upside down** and shook the cops, jailers, judges and lawyers at every level, down for their pocket change. It's release was timely because the **"occupy"** movement had just happened. It was great timing because all those kids were looking for a solution and they received it with passion and enthusiasm.

DEFEND AMERICAN FREEDOM

One day, I got a phone call from the agency that trains public defenders for the 8th Judicial Circuit at the Federal level asking if they could use chapter 27 to help their trainees to understand how to help people who want to represent themselves. We knew we were making a difference.

Unfortunately, when an event or movement has the potential to disrupt the mind control and cause a cultural shift, the social engineers instruct the propagandists to zero in and put a spin on it. They specialize in sewing confusion, strife, and fear-porn in order to dissuade the masses from educating themselves, joining the movement or taking up the flag.

The previous title was very controversial and we know it hit a nerve because the media drafted smear campaigns to make people very afraid of the concepts covered in it. It was so controversial in fact, that I figured I should update the whole book again, remove the trigger words and call it something less controversial, like DEFEND AMERICAN FREEDOM The Courtroom Revolution Handbook. If you were part of the first wave and have a copy of the original hand made versions or even the paperback version 3.2, thank you for the support and congratulations! You have a real rare collector's item.

It's the peaceful solution to...
"the government problem."

Now, a police contact will almost always put the fear of God in the ordinary man. Although nothing happens, save by the will and grace of the Lord, careful consideration and the CERTIFIABLE KNOWLEDGE OF THE LAW can keep one from suffering public humiliation and voluntary membership to the local jail.

DEFEND AMERICAN FREEDOM

PUTTING THE **POWER** BACK IN THE HANDS OF THE PEOPLE...

I have personally applied countless strategies throughout my career as a civil rights investigator / litigant and in DEFEND AMERICAN FREEDOM The Courtroom Revolution Handbook, I reveal all the secret methods for **protecting yourself from any deprivation of rights** under pretense (color) of lawful authority.

The subjects of personal sovereignty, law and commerce have been touted as mystical arts that only a fraternal alchemist can be the master of, but that is just simply not the case...

I put this book together for you to have at had **one simple rule book** that levels the playing field between agents of the legal system and “**We the People**”. Within these pages I will break-down the most important principles, strategies and laws into 3 basic sections to de-mystify the matter of Personal Sovereignty and reservation your rights. “**Principles of Law**”, “**Legal Process**” and “**Practical Application**” in the field.

Remember, **knowledge is power** so please, use this knowledge wisely and responsibly, so...

Gift copies of this book to your friends!

The Courtroom Revolution Handbook

You don't want your friends to be in the dark and you don't want loan this book to them because you'll never see it again, so just get a few extra copies for your friends. You can order from **Sovereignty Press** and email them for *volume discounts*.

If the cops in your district are out of control, get a group of neighbors together and form a local **Copwatch Program** and influence your Community to regulate the commercial activities of your public servants. It's easy and **builds a strong community**. I don't recommend you join any radical left groups and protest because that's completely pointless and draws negative attention to you.

Get it in the Schools!

Most people feel that basic **American Common-Law** should be *mandatory* for all middle and high-school students and if you share this with the teachers in your life, **it will come to pass**.

We are in the information age and you will be amazed at how much influence an organized group of informed civilians can have on their community. As of 2010, we have organized **Civilian Copwatch** nodes all over America and networked millions of national and international patriots, Allies, community groups, and free-

DEFEND AMERICAN FREEDOM

thinking Americans from coast to coast and even around the world via the **Sovereign Family Network Project**.

Where law is based on the truth of the facts, for the claim, by the law, we have gathered **truth, facts, and law**, so that every American can have a simple reference manual for the claim of the inheritance, of his/her own ***individual unalienable rights and personal sovereignty***.

This material will serve you well if you READ IT OVER A FEW TIMES so that you understand exactly how to protect yourself with the strategies in the handbook and the paperwork.

DEFEND AMERICAN FREEDOM

The Declaration of Independence

In Congress, July 4, 1776

*The unanimous Declaration of the
thirteen united States of America*

When in the Course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,

—That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to

The Courtroom Revolution Handbook

effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn that mankind are more disposed to suffer, while evils are sufferable than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

—Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world.

He has refused his Assent to Laws, the most wholesome and necessary for the public good.

He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them.

DEFEND AMERICAN FREEDOM

He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only.

He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures.

He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people.

He has refused for a long time, after such dissolutions, to cause others to be elected, whereby the Legislative Powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within.

He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands.

He has obstructed the Administration of Justice by refusing his Assent to Laws for establishing Judiciary Powers.

The Courtroom Revolution Handbook

He has made Judges dependent on his Will alone for the tenure of their offices, and the amount an payment of their salaries.

He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our people and eat out their substance.

He has kept among us, in times of peace, Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the Civil Power.

He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For quartering large bodies of armed troops among us:

For protecting them, by a mock Trial from punishment for any Murders which they should commit on the Inhabitants of these States:

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefit of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences:

DEFEND AMERICAN FREEDOM

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies

For taking away our Charters, abolishing our most valuable Laws and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation, and tyranny, already begun with circumstances of Cruelty & Perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

The Courtroom Revolution Handbook

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred. to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the United States of America, in General Congress, Assembled, appealing to the Supreme Judge of the

DEFEND AMERICAN FREEDOM

world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States, that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do.

—And for the support of this Declaration, with a firm reliance on the protection of Divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

DEFEND AMERICAN FREEDOM

The Constitution for the united States of America

We the People of the united States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the united States of America.

Article I

Section 1. All legislative powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

Section 2. The House of Representatives shall be composed of members chosen every second year by the people of the several states, and the electors in each state shall have the qualifications requisite for electors of the most numerous branch of the state legislature.

No person shall be a Representative who shall not have attained to the age of twenty five years, and been seven years a citizen of the United States, and who shall not, when elected, be an inhabitant of that state in which he shall be chosen.

{Representatives and direct taxes shall be apportioned among the several states which may be included within this union, according to their

The Courtroom Revolution Handbook

respective numbers, which shall be determined by adding to the whole number of free persons, including those bound to service for a term of years, and excluding Indians not taxed, three fifths of all other Persons.^{1}} The actual Enumeration shall be made within three years after the first meeting of the Congress of the United States, and within every subsequent term of ten years, in such manner as they shall by law direct. The number of Representatives shall not exceed one for every thirty thousand, but each state shall have at least one Representative; and until such enumeration shall be made, the state of New Hampshire shall be entitled to chuse three, Massachusetts eight, Rhode Island and Providence Plantations one, Connecticut five, New York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three.

When vacancies happen in the Representation from any state, the executive authority thereof shall issue writs of election to fill such vacancies.

The House of Representatives shall choose their speaker and other officers; and shall have the sole power of impeachment.

Section 3. The Senate of the United States shall be composed of two Senators from each state, {chosen by the legislature thereof, for six years; and each Senator shall have one vote.^{2}}}

DEFEND AMERICAN FREEDOM

{Immediately after they shall be assembled in consequence of the first election, they shall be divided as equally as may be into three classes. The seats of the Senators of the first class shall be vacated at the expiration of the second year, of the second class at the expiration of the fourth year, and the third class at the expiration of the sixth year, so that one third may be chosen every second year; and if vacancies happen by resignation, or otherwise, during the recess of the legislature of any state, the executive thereof may make temporary appointments until the next meeting of the legislature, which shall then fill such vacancies^{3}}).

No person shall be a Senator who shall not have attained to the age of thirty years, and been nine years a citizen of the United States and who shall not, when elected, be an inhabitant of that state for which he shall be chosen.

The Vice President of the United States shall be President of the Senate, but shall have no vote, unless they be equally divided.

The Senate shall choose their other officers, and also a President pro tempore, in the absence of the Vice President, or when he shall exercise the office of President of the United States.

The Senate shall have the sole power to try all impeachments. When sitting for that purpose, they shall be on oath or affirmation. When the President of the United States is tried, the Chief

The Courtroom Revolution Handbook

Justice shall preside: And no person shall be convicted without the concurrence of two thirds of the members present.

Judgment in cases of impeachment shall not extend further than to removal from office, and disqualification to hold and enjoy any office of honor, trust or profit under the United States: but the party convicted shall nevertheless be liable and subject to indictment, trial, judgment and punishment, according to law.

Section 4. The times, places and manner of holding elections for Senators and Representatives, shall be prescribed in each state by the legislature thereof; but the Congress may at any time by law make or alter such regulations, except as to the places of choosing Senators.

The Congress shall assemble at least once in every year, and such meeting shall {be on the first Monday in December,⁴} unless they shall by law appoint a different day.

Section 5. Each House shall be the judge of the elections, returns and qualifications of its own members, and a majority of each shall constitute a quorum to do business; but a smaller number may adjourn from day to day, and may be authorized to compel the attendance of absent members, in such manner, and under such penalties as each House may provide.

DEFEND AMERICAN FREEDOM

Each House may determine the rules of its proceedings, punish its members for disorderly behavior, and, with the concurrence of two thirds, expel a member.

Each House shall keep a journal of its proceedings, and from time to time publish the same, excepting such parts as may in their judgment require secrecy; and the yeas and nays of the members of either House on any question shall, at the desire of one fifth of those present, be entered on the journal.

Neither House, during the session of Congress, shall, without the consent of the other, adjourn for more than three days, nor to any other place than that in which the two Houses shall be sitting.

Section 6. The Senators and Representatives shall receive a compensation for their services, to be ascertained by law, and paid out of the treasury of the United States. They shall in all cases, except treason, felony and breach of the peace, be privileged from arrest during their attendance at the session of their respective Houses, and in going to and returning from the same; and for any speech or debate in either House, they shall not be questioned in any other place.

No Senator or Representative shall, during the time for which he was elected, be appointed to any civil office under the authority of the United States, which shall have been created, or the emoluments whereof shall have been increased during such time: and no person holding any office

The Courtroom Revolution Handbook

under the United States, shall be a member of either House during his continuance in office.

Section 7. All bills for raising revenue shall originate in the House of Representatives; but the Senate may propose or concur with amendments as on other Bills.

Every bill which shall have passed the House of Representatives and the Senate, shall, before it become a law, be presented to the President of the United States; if he approve he shall sign it, but if not he shall return it, with his objections to that House in which it shall have originated, who shall enter the objections at large on their journal, and proceed to reconsider it. If after such reconsideration two thirds of that House shall agree to pass the bill, it shall be sent, together with the objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a law. But in all such cases the votes of both Houses shall be determined by yeas and nays, and the names of the persons voting for and against the bill shall be entered on the journal of each House respectively. If any bill shall not be returned by the President within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law, in like manner as if he had signed it, unless the Congress by their adjournment prevent its return, in which case it shall not be a law.

DEFEND AMERICAN FREEDOM

Every order, resolution, or vote to which the concurrence of the Senate and House of Representatives may be necessary (except on a question of adjournment) shall be presented to the President of the United States; and before the same shall take effect, shall be approved by him, or being disapproved by him, shall be repassed by two thirds of the Senate and House of Representatives, according to the rules and limitations prescribed in the case of a bill.

Section 8. The Congress shall have power to lay and collect taxes, duties, imposts and excises, to pay the debts and provide for the common defense and general welfare of the United States; but all duties, imposts and excises shall be uniform throughout the United States;

To borrow money on the credit of the United States;

To regulate commerce with foreign nations, and among the several states, and with the Indian tribes;

To establish a uniform rule of naturalization, and uniform laws on the subject of bankruptcies throughout the United States;

To coin money, regulate the value thereof, and of foreign coin, and fix the standard of weights and measures;

To provide for the punishment of counterfeiting the securities and current coin of the United States;

The Courtroom Revolution Handbook

To establish post offices and post roads;

To promote the progress of science and useful arts, by securing for limited times to authors and inventors the exclusive right to their respective writings and discoveries;

To constitute tribunals inferior to the Supreme Court;

To define and punish piracies and felonies committed on the high seas, and offenses against the law of nations;

To declare war, grant letters of marque and reprisal, and make rules concerning captures on land and water;

To raise and support armies, but no appropriation of money to that use shall be for a longer term than two years;

To provide and maintain a navy;

To make rules for the government and regulation of the land and naval forces;

To provide for calling forth the militia to execute the laws of the union, suppress insurrections and repel invasions;

To provide for organizing, arming, and disciplining, the militia, and for governing such part of them as may be employed in the service of the United States, reserving to the states respectively, the appointment of the officers, and the authority of training the militia according to the discipline prescribed by Congress;

DEFEND AMERICAN FREEDOM

To exercise exclusive legislation in all cases whatsoever, over such District (not exceeding ten miles square) as may, by cession of particular states, and the acceptance of Congress, become the seat of the government of the United States, and to exercise like authority over all places purchased by the consent of the legislature of the state in which the same shall be, for the erection of forts, magazines, arsenals, dockyards, and other needful buildings; — And

To make all laws which shall be necessary and proper for carrying into execution the foregoing powers, and all other powers vested by this Constitution in the government of the United States, or in any department or officer thereof.

Section 9. The migration or importation of such persons as any of the states now existing shall think proper to admit, shall not be prohibited by the Congress prior to the year one thousand eight hundred and eight, but a tax or duty may be imposed on such importation, not exceeding ten dollars for each person.

The privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or invasion the public safety may require it.

No bill of attainder or ex post facto Law shall be passed.

{No capitation, or other direct, tax shall be laid, unless in proportion to the census or enumeration

The Courtroom Revolution Handbook

herein before directed to be taken.^{5}}

No tax or duty shall be laid on articles exported from any state.

No preference shall be given by any regulation of commerce or revenue to the ports of one state over those of another: nor shall vessels bound to, or from, one state, be obliged to enter, clear or pay duties in another.

No money shall be drawn from the treasury, but in consequence of appropriations made by law; and a regular statement and account of receipts and expenditures of all public money shall be published from time to time.

No title of nobility shall be granted by the United States: and no person holding any office of profit or trust under them, shall, without the consent of the Congress, accept of any present, emolument, office, or title, of any kind whatever, from any king, prince, or foreign state.

Section 10. No state shall enter into any treaty, alliance, or confederation; grant letters of marque and reprisal; coin money; emit bills of credit; make anything but gold and silver coin a tender in payment of debts; pass any bill of attainder, ex post facto law, or law impairing the obligation of contracts, or grant any title of nobility.

No state shall, without the consent of the Congress, lay any imposts or duties on imports or exports, except what may be absolutely necessary for executing its inspection laws: and the net

DEFEND AMERICAN FREEDOM

produce of all duties and imposts, laid by any state on imports or exports, shall be for the use of the treasury of the United States; and all such laws shall be subject to the revision and control of the Congress.

No state shall, without the consent of Congress, lay any duty of tonnage, keep troops, or ships of war in time of peace, enter into any agreement or compact with another state, or with a foreign power, or engage in war, unless actually invaded, or in such imminent danger as will not admit of delay.

Article II

Section 1. The executive power shall be vested in a President of the United States of America. He shall hold his office during the term of four years {6}, and, together with the Vice President, chosen for the same term, be elected, as follows:

Each state shall appoint, in such manner as the Legislature thereof may direct, a number of electors, equal to the whole number of Senators and Representatives to which the State may be entitled in the Congress: but no Senator or Representative, or person holding an office of trust or profit under the United States, shall be appointed an elector.

{The electors shall meet in their respective states, and vote by ballot for two persons, of whom one at least shall not be an inhabitant of the same state

The Courtroom Revolution Handbook

with themselves. And they shall make a list of all the persons voted for, and of the number of votes for each; which list they shall sign and certify, and transmit sealed to the seat of the government of the United States, directed to the President of the Senate. The President of the Senate shall, in the presence of the Senate and House of Representatives, open all the certificates, and the votes shall then be counted. The person having the greatest number of votes shall be the President, if such number be a majority of the whole number of electors appointed; and if there be more than one who have such majority, and have an equal number of votes, then the House of Representatives shall immediately choose by ballot one of them for President; and if no person have a majority, then from the five highest on the list the said House shall in like manner choose the President. But in choosing the President, the votes shall be taken by States, the representation from each state having one vote; A quorum for this purpose shall consist of a member or members from two thirds of the states, and a majority of all the states shall be necessary to a choice. In every case, after the choice of the President, the person having the greatest number of votes of the electors shall be the Vice President. But if there should remain two or more who have equal votes, the Senate shall choose from them by ballot the Vice President.^{7}}

DEFEND AMERICAN FREEDOM

The Congress may determine the time of choosing the electors, and the day on which they shall give their votes; which day shall be the same throughout the United States.

No person except a natural born citizen, or a citizen of the United States, at the time of the adoption of this Constitution, shall be eligible to the office of President; neither shall any person be eligible to that office who shall not have attained to the age of thirty five years, and been fourteen Years a resident within the United States.

{In case of the removal of the President from office, or of his death, resignation, or inability to discharge the powers and duties of the said office, the same shall devolve on the Vice President, and the Congress may by law provide for the case of removal, death, resignation or inability, both of the President and Vice President, declaring what officer shall then act as President, and such officer shall act accordingly, until the disability be removed, or a President shall be elected.^{8}}}

The President shall, at stated times, receive for his services, a compensation, which shall neither be increased nor diminished during the period for which he shall have been elected, and he shall not receive within that period any other emolument from the United States, or any of them.

Before he enter on the execution of his office, he shall take the following oath or affirmation:

The Courtroom Revolution Handbook

— "I do solemnly swear (or affirm) that I will faithfully execute the office of President of the United States, and will to the best of my ability, preserve, protect and defend the Constitution of the United States."

Section 2. The President shall be commander in chief of the Army and Navy of the United States, and of the militia of the several states, when called into the actual service of the United States; he may require the opinion, in writing, of the principal officer in each of the executive departments, upon any subject relating to the duties of their respective offices, and he shall have power to grant reprieves and pardons for offenses against the United States, except in cases of impeachment.

He shall have power, by and with the advice and consent of the Senate, to make treaties, provided two thirds of the Senators present concur; and he shall nominate, and by and with the advice and consent of the Senate, shall appoint ambassadors, other public ministers and consuls, judges of the Supreme Court, and all other officers of the United States, whose appointments are not herein otherwise provided for, and which shall be established by law: but the Congress may by law vest the appointment of such inferior officers, as they think proper, in the President alone, in the courts of law, or in the heads of departments.

The President shall have power to fill up all vacancies that may happen during the recess of

DEFEND AMERICAN FREEDOM

the Senate, by granting commissions which shall expire at the end of their next session.

Section 3. He shall from time to time give to the Congress information of the state of the union, and recommend to their consideration such measures as he shall judge necessary and expedient; he may, on extraordinary occasions, convene both Houses, or either of them, and in case of disagreement between them, with respect to the time of adjournment, he may adjourn them to such time as he shall think proper; he shall receive ambassadors and other public ministers; he shall take care that the laws be faithfully executed, and shall commission all the officers of the United States.

Section 4. The President, Vice President and all civil officers of the United States, shall be removed from office on impeachment for, and conviction of, treason, bribery, or other high crimes and misdemeanors.

Article III

Section 1. The judicial power of the United States, shall be vested in one Supreme Court, and in such inferior courts as the Congress may from time to time ordain and establish. The judges, both of the supreme and inferior courts, shall hold their offices during good behaviour, and shall, at stated times, receive for their services, a compensation, which shall not be diminished during their continuance in office.

The Courtroom Revolution Handbook

Section 2. The judicial power shall extend to all cases, in **law** and **equity**, arising **under this Constitution, the laws of the United States, and treaties made**, or which shall be made, under their authority;

— to all cases affecting ambassadors, other public ministers and consuls;

— to all cases of **admiralty** and **maritime** jurisdiction;

— to controversies to which the **United States shall be a party**;

— to controversies between two or more states;

— {between a state and citizens of another state⁹};

— between citizens of different states;

— between citizens of the same state claiming lands under grants of different states, and between a state, or the citizens thereof, and foreign states, citizens or subjects.

In all cases affecting ambassadors, other public ministers and consuls, and those in which a state shall be party, the Supreme Court shall have original jurisdiction. In all the other cases before mentioned, the Supreme Court shall have appellate jurisdiction, both as to law and fact, with such exceptions, and under such regulations as the Congress shall make.

DEFEND AMERICAN FREEDOM

The trial of all crimes, except in cases of impeachment, shall be by jury; and such trial shall be held in the state where the said crimes shall have been committed; but when not committed within any state, the trial shall be at such place or places as the Congress may by law have directed.

Section 3. Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses to the same overt act, or on confession in open court.

The Congress shall have power to declare the punishment of treason, but no attainder of treason shall work corruption of blood, or forfeiture except during the life of the person attainted.

Article IV

Section 1. Full faith and credit shall be given in each state to the public acts, records, and judicial proceedings of every other state. And the Congress may by general laws prescribe the manner in which such acts, records, and proceedings shall be proved, and the effect thereof.

Section 2. The citizens of each state shall be entitled to all privileges and immunities of citizens in the several states.

A person charged in any state with treason, felony, or other crime, who shall flee from justice, and be

The Courtroom Revolution Handbook

found in another state, shall on demand of the executive authority of the state from which he fled, be delivered up, to be removed to the state having jurisdiction of the crime.

{No person held to service or labor in one state, under the laws thereof, escaping into another, shall, in consequence of any law or regulation therein, be discharged from such service or labor, but shall be delivered up on claim of the party to whom such service or labor may be due.^{10}}}

Section 3. New states may be admitted by the Congress into this union; but no new states shall be formed or erected within the jurisdiction of any other state; nor any state be formed by the junction of two or more states, or parts of states, without the consent of the legislatures of the states concerned as well as of the Congress.

The Congress shall have power to dispose of and make all needful rules and regulations respecting the territory or other property belonging to the United States; and nothing in this Constitution shall be so construed as to prejudice any claims of the United States, or of any particular state.

Section 4. The United States shall guarantee to every state in this union a republican form of government, and shall protect each of them against invasion; and on application of the legislature, or of the executive (when the legislature cannot be convened) against domestic violence.

DEFEND AMERICAN FREEDOM

Article V

The Congress, whenever two thirds of both houses shall deem it necessary, shall propose amendments to this Constitution, or, on the application of the legislatures of two thirds of the several states, shall call a convention for proposing amendments, which, in either case, shall be valid to all intents and purposes, as part of this Constitution, when ratified by the legislatures of three fourths of the several states, or by conventions in three fourths thereof, as the one or the other mode of ratification may be proposed by the Congress; provided that no amendment which may be made prior to the year one thousand eight hundred and eight shall in any manner affect the first and fourth clauses in the ninth section of the first article; and that no state, without its consent, shall be deprived of its equal suffrage in the Senate.

Article VI

All debts contracted and engagements entered into, before the adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation.

This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be

The Courtroom Revolution Handbook

the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.

The Senators and Representatives before mentioned, and the members of the several state legislatures, and all executive and judicial officers, both of the United States and of the several states, shall be bound by oath or affirmation, to support this Constitution; but no religious test shall ever be required as a qualification to any office or public trust under the United States.

Article VII

The ratification of the conventions of nine states, shall be sufficient for the establishment of this Constitution between the states so ratifying the same.

Done in convention by the unanimous consent of the states present the seventeenth day of September in the year of our Lord one thousand seven hundred and eighty seven and of the independence of the United States of America the twelfth.

In witness whereof We have hereunto subscribed our Names,

G.^o Washington — Presdt. and deputy from Virginia

“In questions of power, then, let no more be said of confidence in man, but bind him down from mischief, by the chains of the Constitution.”

--**Thomas Jefferson**

"Where rights secured by the Constitution are involved, there can be no rule making or legislation which would abrogate them." **Miranda v Arizona, 384 US 436, 475 (1966) (111 pages); 14 or 1 L.Ed. 2d.**

The Bill of Rights

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the government for a redress of grievances.

Amendment II

A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed.

Amendment III

No soldier shall, in time of peace, be quartered in any house without the consent of the owner, nor in time of war, but in a manner to be prescribed by law.

Amendment IV

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no warrants shall issue, but upon probable cause, supported by oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.

DEFEND AMERICAN FREEDOM

Amendment V

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a grand jury, except in cases arising in the land or naval forces, or in the militia, when in actual service in time of war or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

Amendment VI

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the state and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the assistance of counsel for his defense.

The Courtroom Revolution Handbook

Amendment VII

In suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise reexamined in any court of the United States, than according to the rules of the common law.

Amendment VIII

Excessive bail shall not be required, nor excessive fines imposed, nor cruel and unusual punishments inflicted.

Amendment IX

The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people.

Amendment X

The powers not delegated to the United States by the Constitution, nor prohibited by it to the states, are reserved **to the states respectively, or to the people.**

Rights that existed antecedent to the law (before the law existed) cannot be removed by the law when they are guaranteed by the source of the law itself.

The Courtroom Revolution Handbook

TARGETS OF THE ILLUMINATI AND THE COMMITTEE OF 300

Extracted from "Conspirators' Hierarchy: The Story of the Committee of 300" by Dr. John Coleman

1. To establish a One World Government/New World Order with a unified church and monetary system under their direction. The One World Government began to set up its church in the 1920's and 30's, for they realized the need for a religious belief inherent in mankind must have an outlet and, therefore, set up a "church" body to channel that belief in the direction they desired.

2. To bring about the utter destruction of all national identity and national pride, which was a primary consideration if the concept of a One World Government was to work.

3. To engineer and bring about the destruction of religion, and more especially, the Christian Religion, with the one exception, their own creation, as mentioned above.

4. To establish the ability to control of each and every person through means of mind control and what Zbignew Brzezinski called techonotronics, which would create human-like robots and a system of terror which would make Felix Dzerzhinski's Red Terror look like children at play.

5. To bring about the end to all industrialization and the production of nuclear generated electric power in what they call "the post-industrial zero-growth

DEFEND AMERICAN FREEDOM

society". Excepted are the computer- and service industries. US industries that remain will be exported to countries such as Mexico where abundant slave labor is available. As we saw in 1993, this has become a fact through the passage of the North American Free Trade Agreement, known as NAFTA. Unemployables in the US, in the wake of industrial destruction, will either become opium-heroin and/or cocaine addicts, or become statistics in the elimination of the "excess population" process we know of today as Global 2000 Report.

6. To encourage, and eventually legalize the use of drugs and make pornography an "art-form", which will be widely accepted and, eventually, become quite commonplace.

7. To bring about depopulation of large cities according to the trial run carried out by the Pol Pot regime in Cambodia. It is interesting to note that Pol Pot's genocidal plans were drawn up in the US by one of the Club of Rome's research foundations, and overseen by Thomas Enders, a high-ranking State Department official. It is also interesting that the committee is currently seeking to reinstate the Pol Pot butchers in Cambodia.

8. To suppress all scientific development except for those deemed beneficial by the Illuminati. Especially targeted is nuclear energy for peaceful purposes. Particularly hated are the fusion experiments currently being scorned and ridiculed by the Illuminati and its jackals of the press. Development of the fusion torch would blow the Illuminati's conception of "limited natural resources" right out of the window. A fusion torch, properly used, could create unlimited and as yet untapped natural resources, even from the most

The Courtroom Revolution Handbook

ordinary substances. Fusion torch uses are legion, and would benefit mankind in a manner which, as yet, is not even remotely comprehended by the public.

9. To cause, by means of limited wars in the advanced countries, by means of starvation and diseases in the Third World countries, the death of three billion people by the year 2050, people they call "useless eaters". The Committee of 300 (Illuminati) commissioned Cyrus Vance to write a paper on this subject of how to bring about such genocide. The paper was produced under the title "Global 2000 Report" and was accepted and approved for action by former President James Earl Carter, and Edwin Muskie, then Secretary of States, for and on behalf of the US Government. Under the terms of the Global 2000 Report, the population of the US is to be reduced by 100 million by the year of 2050.

10. To weaken the moral fiber of the nation and to demoralize workers in the labor class by creating mass unemployment. As jobs dwindle due to the post industrial zero growth policies introduced by the Club of Rome, the report envisages demoralized and discouraged workers resorting to alcohol and drugs. The youth of the land will be encouraged by means of rock music and drugs to rebel against the status quo, thus undermining and eventually destroying the family unit. In this regard, the Committee commissioned Tavistock Institute to prepare a blueprint as to how this could be achieved. Tavistock directed Stanford Research to undertake the work under the direction of Professor Willis Harmon. This work later became known as the "Aquarian Conspiracy".

DEFEND AMERICAN FREEDOM

11. To keep people everywhere from deciding their own destinies by means of one created crisis after another and then "managing" such crises. This will confuse and demoralize the population to the extent where faced with too many choices, apathy on a massive scale will result. In the case of the US, an agency for Crisis Management is already in place. It is called the Federal Emergency Management Agency (FEMA), whose existence I first enclosed in 1980.

12. To introduce new cults and continue to boost those already functioning which include rock music gangsters such as the Rolling Stones (a gangster group much favored by European Black Nobility), and all of the Tavistock-created rock groups which began with the Beatles.

13. To continue to build up the cult of Christian Fundamentalism begun by the British East India Company's servant Darby, which will be misused to strengthen the Zionist State of Israel by identifying with the Jews through the myth of "God's chosen people", and by donating very substantial amounts of money to what they mistakenly believe is a religious cause in the furtherance of Christianity.

14. To press for the spread of religious cults such as the Moslem Brotherhood, Moslem Fundamentalism, the Sikhs, and to carry out mind control experiments of the Jim Jones and "Son of Sam" type. It is worth noting that the late Khomeini was a creation of British Military Intelligence Div. 6, MI6. This detailed work spelled out the step-by-step process which the US Government implemented to put Khomeini in power.

15. To export "religious liberation" ideas around the world so as to undermine all existing religions, but more especially the Christian religion. This began with the

The Courtroom Revolution Handbook

"Jesuit Liberation Theology", that brought an end to the Somoza Family rule in Nicaragua, and which today is destroying El Salvador, now 25 years into a "civil war". Costa Rica and Honduras are also embroiled in revolutionary activities, instigated by the Jesuits. One very active entity engaged in the so-called liberation theology, is the Communist-oriented Mary Knoll Mission. This accounts for the extensive media attention to the murder of four of Mary Knoll's so-called nuns in El Salvador a few years ago. The four nuns were Communist subversive agents and their activities were widely documented by the Government of El Salvador. The US press and the new media refused to give any space or coverage to the mass of documentation possessed by the Salvadorian Government, which proved what the Mary Knoll Mission nuns were doing in the country. Mary Knoll is in service in many countries, and placed a leading role in bringing Communism to Rhodesia, Moçambique, Angola and South Africa.

16. To cause a total collapse of the world's economies and engender total political chaos.

17. To take control of all foreign and domestic policies of the US.

18. To give the fullest support to supranational institutions such as the United Nations, the International Monetary Fund (IMF), the Bank of International Settlements, the World Court and, as far as possible, make local institutions less effective, by gradually phasing them out or bringing them under the mantle of the UN.

19. To penetrate and subvert all governments, and work from within them to destroy the sovereign integrity of the nations represented by them.

DEFEND AMERICAN FREEDOM

20. To organize a world-wide terrorist apparatus and to negotiate with terrorists whenever terrorist activities take place. It will be recalled that it was Bettino Craxi, who persuaded the Italian and US Governments to negotiate with the Red Brigades kidnapers of Prime Minister Moro and General Dozier. As an aside, Dozier was placed under strict orders not to talk what happened to him. Should he ever break that silence, he will no doubt be made "a horrible example of", in the manner in which Henry Kissinger dealt with Aldo Moro, Ali Bhutto and General Zia ul Haq.

21. To take control of education in America with the intent and purpose of utterly and completely destroying it. By 1993, the full force effect of this policy is becoming apparent, and will be even more destructive as primary and secondary schools begin to teach "Outcome Based Education" (OBE).

Tavistock Institutions In The United States

- **Flow Laboratories**
Gets contracts from the National Institutes of Health.
- **Merle Thomas Corporation**
Gets contracts from the U.S. Navy, analyzes data from satellites.
- **Walden Research**
Does work in the field of pollution control.
- **Planning Research Corporation, Arthur D. Little, G.E. "TEMPO", Operations Research Inc.**
Part of approximately 350 firms who conduct research and conduct surveys, make recommendations to government. They are part of what President Eisenhower called "a possible

The Courtroom Revolution Handbook

danger to public policy that could itself become captive of a scientific-technological elite."

- **Brookings Institution (1)**

Dedicates its work to what it calls a "national agenda." Wrote President Hoover's program, President Roosevelt's "New Deal", the Kennedy Administration's "New Frontiers" program (deviation from it may have cost John F. Kennedy his life), and President Johnson's "Great Society." Brookings has been telling the United States Government how to conduct its affairs for the past 70 years and is still doing so.

- **Hudson Institute**

This institution has done more to shape the way Americans react to political and social events, think, vote and generally conduct themselves than perhaps any except the BIG FIVE. Hudson specializes in defense policy research and relations with the USSR. Most of its military work is classified as SECRET. (One idea during the Vietnam War was to build a moat around Saigon.) Hudson may be properly classified as one of the Committee of 300's BRAINWASHING establishments. One of its largest clients is the U.S. Department of Defense which includes matters of civil defense, national security, military policy and arms control.

- **National Training Laboratories**

One of the key institutions established for this purpose in the United States was the National Training Laboratories (NTL). Founded in 1947 by members of the Tavistock network in the United States and located originally on an estate in Bethel, Maine, NTL had as its explicit purpose the brainwashing of leaders of the government, educational institutions, and corporate bureaucracies in the Tavistock method, and then

DEFEND AMERICAN FREEDOM

using these "leaders" to either themselves run Tavistock group sessions in their organizations or to hire other similarly trained group leaders to do the job. The "nuts and bolts" of the NTL operation revolves around the particular form of Tavistock degenerate psychology known as "group dynamics," developed by German Tavistock operative Kurt Lewin, who emigrated to the United States in the 1930s and whose students founded NTL.

In a Lewinite brainwashing group, a number of individuals from varying backgrounds and personalities, are manipulated by a "group leader" to form a "consensus" of opinion, achieving a new "group identity." The key to the process is the creation of a controlled environment, in which stress is introduced (sometimes called dissonance) to crack an individual's belief structure. Using the peer pressure of other group members, the individual is "cracked," and a new personality emerges with new values. The degrading experience causes the person to deny that any change has taken place. In that way, an individual is brainwashed without the victim knowing what has taken place.

This method is the same, with some minor modification, used in all so-called "sensitivity groups" or "T-groups," or in the more extreme rock-drug-sex counterculture form, "touchy-feely groups," such as the kind popularized from the 1960s onward by the Esalen Institute, which was set up with the help of NTL.

From the mid-1950s onward, NTL put the majority of the nation's corporate leaderships through such brainwashing programs, while running similar programs for the State Department, the Navy, the Department of Education, and other sections of the federal bureaucracy. There is no firm estimate of

The Courtroom Revolution Handbook

the number of Americans who have been put through this process in last 40 years at either NTL, or as it is now known the NTL Institute for Applied Behavioral Sciences, which is based in Rosslyn, Virginia, or its West Coast base of operations, the Western Training Laboratories in Group Development, or in various satellite institutions. The most reliable estimate is in the several millions.

One of the groups that went through the NTL mill in the 1950s was the leadership of the National Education Association, the largest organization of teachers in the United States. Thus, the NEA's outlook has been "shaped" by Tavistock, through the NTL. In 1964, the NTL Institute became a direct part of the NEA, with the NTL setting up "group sessions" for all its affiliates. With funding from the Department of Education, the NTL Institute drafted the programs for the training of the nation's primary and secondary school teachers, and has a hand as well in developing the content of educational "reforms," including OBE. Also known as the International Institute for Applied Behavioral Sciences. This institute is a brainwashing center in artificial stress training whereby participants suddenly find themselves immersed in defending themselves against vicious accusations. NTL takes in the National Education Association (1), the largest teacher group in the United States. While officially decrying "racism", it is interesting to note that NTL, working with NEA, produced a paper proposing education vouchers which would separate the hard-to-teach children from the brighter ones, and funding would be allocated according to the number of difficult children who would be separated from those who progressed at a normal rate. The proposal was not taken up.

DEFEND AMERICAN FREEDOM

- **University of Pennsylvania, Wharton School of Finance & Commerce Founded by Eric Trist**

One of the "brain trusts" of Tavistock, Wharton has become one of the more important Tavistock in so far as "Behavioral Research" is concerned. Wharton attracts clients such as the U.S. Department of Labor---which teaches how to produce "cooked" statistics at the Wharton Econometric Forecasting Associates Incorporated. This method was very much in demand as we came to the close of 1991 with millions more out of work than was reflected in USDL statistics. Wharton's ECONOMETRIC MODELING is used by every major Committee of 300 company in the United States, Western Europe, the International Monetary Fund, the United Nations, and the World Bank.

- **Institute for Social Research**

Among its clients are The Ford Foundation, U.S. Department of Defense, U.S. Postal Service and the U.S. Department of Justice. Among its studies are "The Human Meaning Of Social Change", "Youth in Transition" and "How Americans View Their Mental Health".

- **Institute For The Future**

This is not a typical Tavistock institution in that it is funded by the Ford Foundation, yet it draws its long-range forecasting from the mother of all think tanks. Institute for the Future projects what it believes to be changes that will be taking place in time frames of fifty years. So called "DELPHI PANELS" decide what is normal and what is not, and prepare position papers to "steer" government in the right direction to head off such groups as

The Courtroom Revolution Handbook

"people creating civil disorder."

(This could be patriotic groups demanding abolition of graduated taxes, or demanding that their right to bear arms is not infringed.)

This institute recommends action such as liberalizing abortion laws, drug usage and that cars entering an urban area pay tolls, teaching birth control in public schools, requiring registration of firearms, making use of drugs a non-criminal offense, legalizing homosexuality, paying students for scholastic achievements, making zoning controls a preserve of the state, offering bonuses for family planning and last, but most frightening, a Pol Pot Cambodia-style proposal that new communities be established in rural areas, (concentration camp compounds). As can be observed, many of their goals have already been more than fully realized.

1.- These institutions are among those that fund The UNIFORM LAW FOUNDATION, whose function is to ensure that the Uniform Commercial Code remains the instrument for conducting business in the United States.

INSTITUTE FOR POLICY STUDIES (IPS)

One of the "Big Three", [IFS](#) has shaped and reshaped United States policies, foreign and domestic, since it was founded by [James P. Warburg](#) and the [Rothschild](#) entities in the United States. Its networks in America include the League for Industrial Democracy.

Lead players in the League for Industrial Democracy have included Jeane Kirkpatrick, former U.S. Ambassador to the United Nations, Irwin Suall of the ADL, Eugene Rostow, Arms control negotiator, Lane Kirkland, Labor Leader, and Albert

DEFEND AMERICAN FREEDOM

Shanker.

IFS was incorporated in 1963 by Marcus Raskin and Richard Barnett, both highly trained Tavistock Institute graduates.

The objectives of IFS came from an agenda laid down for it by the Tavistock Institute, one of the most notable being to create the "New Left" as a grass roots movement in the U.S.

Its been said that Barnett and Raskin controlled such diverse elements as the Black Panthers, Daniel Ellsberg, National Security Council staff member Halprin, The Weathermen Underground, the Venceramos and the campaign staff of candidate George McGovern. No scheme was too big for IFS and its controllers to take on and manage.

Through its many powerful lobbying groups on Capitol Hill, IFS relentlessly used its "Big Stick" to beat Congress. IFS has a network of lobbyists, all supposedly operating independently but in actual fact acting cohesively, so that Congressmen are pummeled from all sides by seemingly different and varied lobbyists. In this way, IFS was, and is still, able to successfully sway individual Representatives and Senators to vote for "the trend, the way things are going."

By using key point-men on Capitol Hill, IFS was able to break into the very infrastructure of our legislative system and the way it works.

IFS became, and remains to this day, one of the most prestigious "think tanks" controlling foreign policy decisions, which we, the people, foolishly believe are those of our law makers.

By sponsoring militant activism at home and with links to revolutionaries abroad, by engineering such victories as "*The Pentagon Papers*," besieging the corporate structure, bridging the credibility gap between underground movements and acceptable political activism, by penetrating religious organizations and using them to sow discord in America, such as radical racial policies under the guise of *religion*, using establishment media to spread IFS ideas, and then

The Courtroom Revolution Handbook

supporting them, IFS has lived up to the role which it was founded to play.

STANFORD RESEARCH INSTITUTE

The Stanford Research Institute, adjoining the *Hoover Institution*, is a \$150 million a year operation with 3300 employees. It carries on program surveillance for Bechtel, Kaiser, and 400 other companies, and extensive intelligence operations for the CIA. It is the largest institution on the West Coast promoting mind control and the behavioral sciences.

Jesse Hobson, the first president of [Stanford Research Institute](#), in a 1952 speech made it clear what lines the institute was to follow.

Stanford can be described as one of the "jewels" in Tavistock's Crown in its rule over the United States. Founded in 1946 immediately after the close of WWII, it was presided over by Charles A. Anderson, with emphasis on mind control research and "future sciences."

Included under the Stanford umbrella was *Charles F. Kettering Foundation* which developed the "Changing Images of Man" upon which the *Aquarian Conspiracy* rests.

Some of Stanford's major clients and contracts were at first centered around the defense establishment but, as Stanford grew, so, did the diversity of its services:

- Applications of Behavioral Sciences to Research
- Management, Office of Science and Technology
- SRI Business Intelligence Program
- U.S. Department of Defense Directorate of Defense Research and Engineering
- U.S. Department of Defense Office of Aerospace Research

Among corporations seeking Stanford's services were Wells

DEFEND AMERICAN FREEDOM

Fargo Bank, Bechtel Corporation, Hewlett Packard, Bank of America, McDonnell Douglas Corporation, Blyth, Eastman Dillon and TRW Company. One of Stanford's more secret projects was extensive work on *chemical and bacteriological warfare* (CAB) weapons.

Stanford Research is plugged into at least 200 smaller "think tanks" doing research into every facet of life in America. This is ARPA networking and represents the emergence of probably the most far reaching effort to control the environment of every individual in the country.

At present Stanford's computers are linked with 2500 "sister" research consoles which include:

- the CIA
- Bell Telephone Laboratories
- U.S. Army Intelligence
- The Office of Naval Intelligence (ONI)
- Rand
- MIT
- Harvard
- UCLA

Stanford plays a key role in that it is the "library", cataloging all ARPA documentation.

"Other agencies".....one can use one's imagination here, are allowed to search through SRI's "library" for key words, phrases, look through sources and update their own master files with those of *Stanford Research Center*. The Pentagon uses SRI's master files extensively, and there is little doubt that other U.S. Government agencies do the same. Pentagon "command and control" problems are worked out by Stanford.

While ostensibly these apply only to weapons and soldiers, there is absolutely no guarantee that the same research could not, and will not be turned to civilian applications.

Stanford is known to be willing to do anything for anyone.

RAND RESEARCH AND DEVELOPMENT CORPORATION

Without a doubt, [RAND](#) is THE think tank most beholden to Tavistock Institute and certainly the RIIA's most prestigious vehicle for control of United States policies at every level. Specific RAND policies that became operative include our ICBM program, prime analyses for U.S. foreign policy making, instigator of space programs, U.S. nuclear policies, corporate analyses, hundreds of projects for the military, the Central Intelligence Agency (CIA) in relation to the use of mind altering drugs like peyote, LSD (the covert MK-ULTRA operation which lasted for 20 years).

Some of RAND's clients include:

- American Telephone and Telegraph Company (AT&T)
- Chase Manhattan Bank
- International Business Machines (IBM)
- National Science Foundation
- TRW
- U.S. Air Force
- U.S. Department of Health
- U.S. Department of Energy

There are literally THOUSANDS of highly important companies, government institutions and organizations that make use of RAND's services. To list them all would be impossible. Among RAND's specialties is a study group that predicts the timing and the direction of a *thermonuclear war*, plus working out the many scenarios based upon its findings.

RAND was once accused of being commissioned by the USSR to work out terms of surrender of the United States Government, an accusation that went all the way to the United States Senate, where it was taken up by Senator Symington and subsequently fell victim to scorn poured out by the establishment press.

BRAINWASHING remains the primary function of RAND.

DEFEND AMERICAN FREEDOM

Robert McNamara was one of those who said that, because peace and good order was being threatened by an out-of-control population, the wealth of the nation had to be moved away from the undisciplined masses and into the control of the self-disciplined few. McNamara savagely attacked overpopulation, which he said threatened to change the world in which we live and make it ungovernable:

"We can begin with the most critical problems of population growth. As I have pointed out elsewhere, short of nuclear war itself, it is the gravest issue that the world faces in the decades ahead. If current trends continue, the world as a whole will not reach replacement level fertility - in effect an average of two children per family - until about the year 2020. That means that the world's population would finally stabilize at about 10 billion, compared with today's 4.3 billion.

"We call it stabilized, but what kind of stability would be possible? Can we assume that the levels of poverty, hunger, stress, crowding and frustration that such a situation could cause in the developing nations which by then would contain 9 out of 10 human beings on earth would be likely to assure social stability? Or, for that matter, military stability?

"It is not a world that any of us would want to live in. Is such a world inevitable? It is not but there are only two possible ways in which a world of 10 billion people can be averted. Either the current birthrate must come down more quickly, or the current death rates must go up. There is no other way.

"There are, of course, many ways in which the death rates can go up. In a thermonuclear age, war can accomplish it very quickly and decisively. Famine and disease are nature's ancient checks on population growth, and neither one has disappeared from the scene."

The Courtroom Revolution Handbook

In 1979 McNamara repeated his message to the leading bankers from around the world, and Thomas Enders, a high-ranking State Department official, made the following statement:

"There is a single theme behind all of our work. We must reduce population growth. Either they do it our way, through nice, clean methods, or they will get the kind of a mess that we have in El Salvador, or Iran, or Beirut. Once population growth is out of control, it requires authoritarian government, even fascism, to reduce it. Civil war can help things, but it would have to be greatly expanded. To reduce population quickly, you have to pull all males into the fighting and kill significant numbers of fertile, child-bearing-age females."
